HF STEVENS

On Tuesday, January 28th rising 6th, 7th, and 8th graders were invited to the H.F. Stevens gym to learn about electives, fine arts, core class requirements and much more. The gathering included live entertainment and a raffle. Great job Dr. Robbins. Way to focus on the future!

MARY HARRIS ELEMENTARY

On Tuesday, January 28, Mary Harris Elementary demonstrated our districts commitment to academic excellence and parent engagement by hosting an important Parent Meeting to discuss our Targeted Improvement Plan and strategies to help our Huskies thrive. Parents had the opportunity to hear about academic goals, review school performance data, and learn meaningful ways to get involved in supporting student success. We are proud of the collaborative efforts that continue to strengthen our school community and drive positive outcomes for our students. We are "Husky Strong" and "Crowley Proud" of the work happening at Mary Harris!

SYCAMORE ELEMENTARY

We are proud to celebrate the team at Sycamore Elementary for bringing the exciting Book Blast literacy program to our students! Through this initiative, we are inspiring a lifelong love of reading by putting cool, high-quality books directly into the hands of every child. This program not only sparks students' imaginations but also helps families begin building personal libraries at home. Thank you to Sycamore Elementary for championing literacy and making a lasting impact on our young readers! Great job keeping the main thing...THE MAIN THING!
