Thank you for supporting our school!

## Indoor Snowball Fight

Our students have been doing an amazing job filling up their grade-level token buckets! To earn a token, students must show positive "knight" behavior by being safe, responsible, and respectful. Staff members carry tokens and reward students who exemplify these great traits. Once a bucket is full, the entire school gets to celebrate with a fun reward! This time, we're thrilled to announce an indoor snowball fight as the prize! Each grade will head to the gym for a snowball showdown, games, and hot cocoa. Keep up the great work, Knights! 🏰❄️

## School Spotlight

### National School Counseling Week

This week, we celebrate the incredible impact of our school counselor! National School Counseling Week highlights the vital role counselors play in supporting students' academic success, emotional well-being, and future planning. Join us in thanking our counselor for her dedication to helping every student thrive.💙

Thank you Mrs. Pett!
