

## iPad: Accessing Teams

#EdTech #GCSStaff

Jennifer Presley | 15 steps | 10 minutes

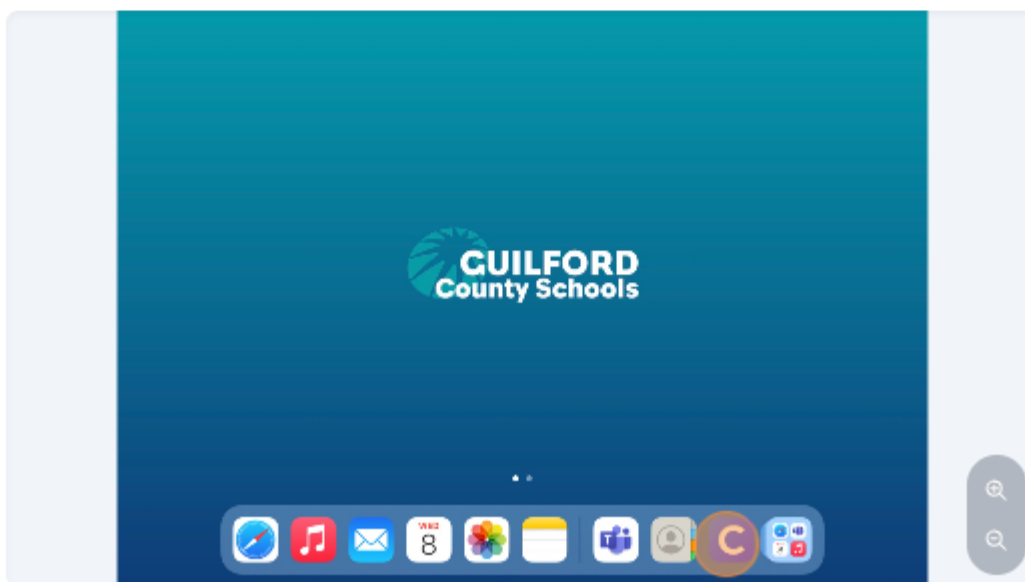

⚠ If you're using your GCS iPad away from school, remember to log into Zscaler BEFORE trying to connect to WiFi.

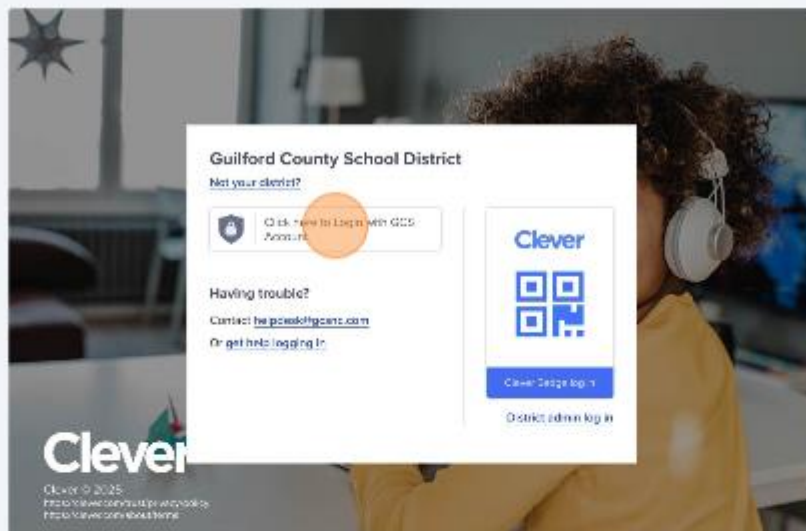

Instructions can be found [here](#) .

1 Log into Teams using Clever.

Tap the Clever icon.

- 2 Sign in with your QR code or click here to use your GCS account.

- 3 Enter your Student Number and GCS password.

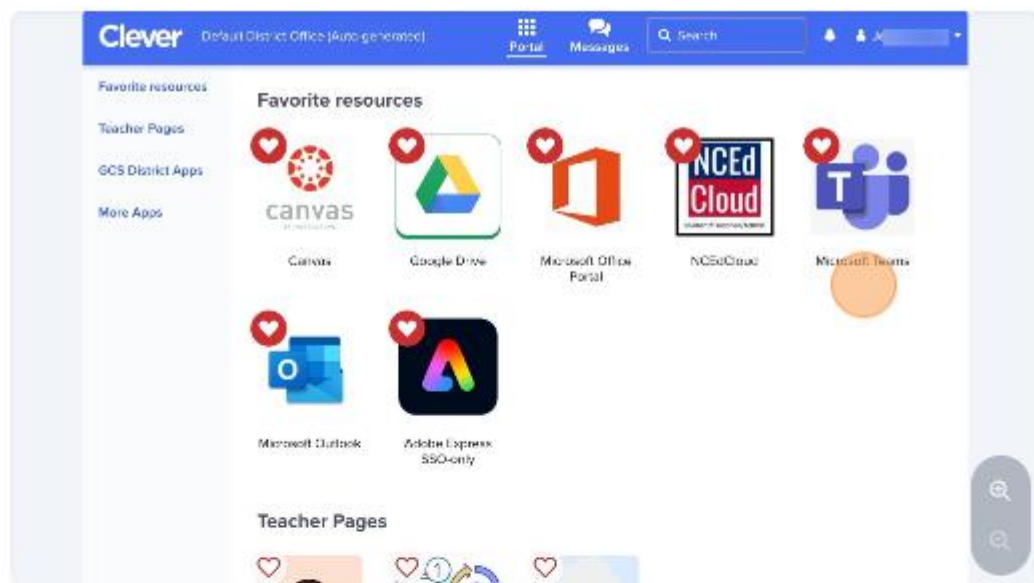

### Sign in to adfs.gcsnc.com

Your login information will be sent securely.

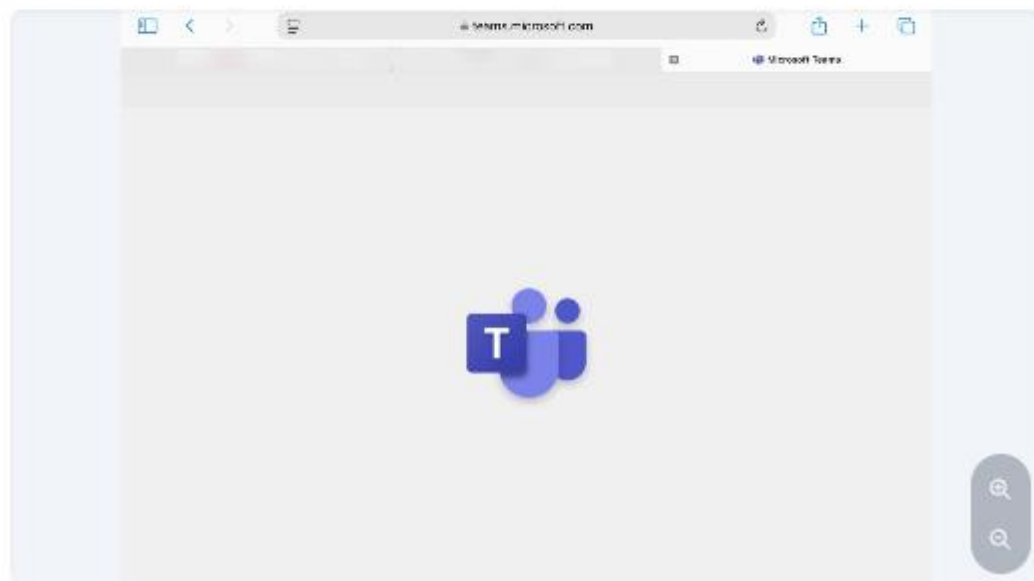

Cancel

Sign In

4 Tap Teams to open.

5 You can now use Teams in your web browser.

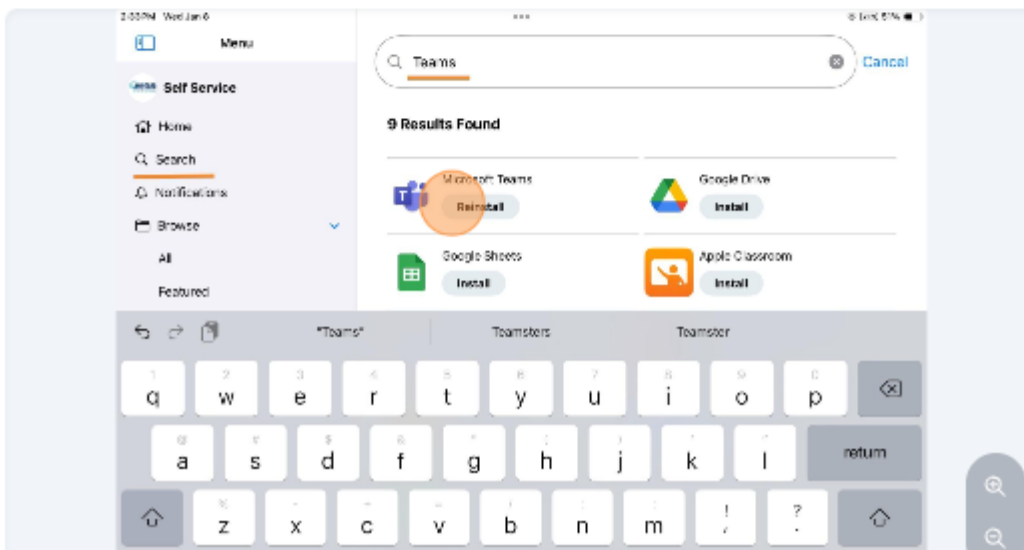

- 6 To download the Teams app, tap on Self Service.

- 7 Tap "Search."

Type "Teams."

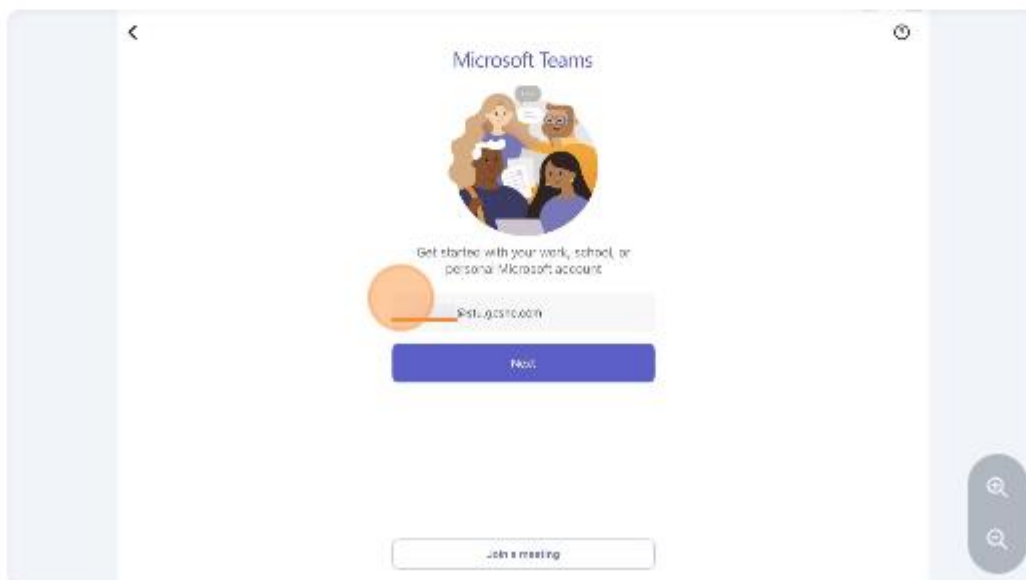

Tap "Install" or "Reinstall" next to the Teams icon.

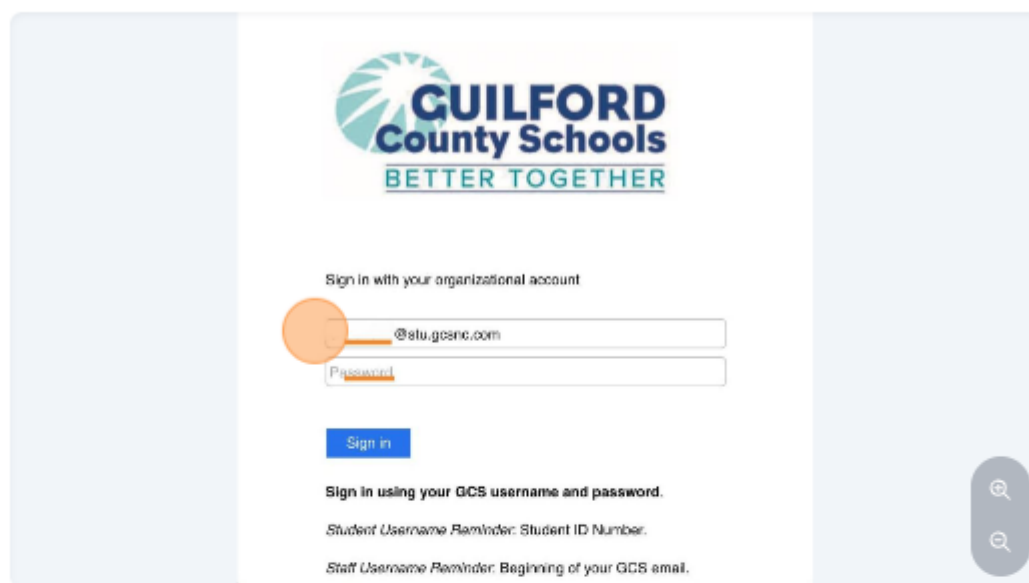

- 8 You can open Teams from your Home Screen.

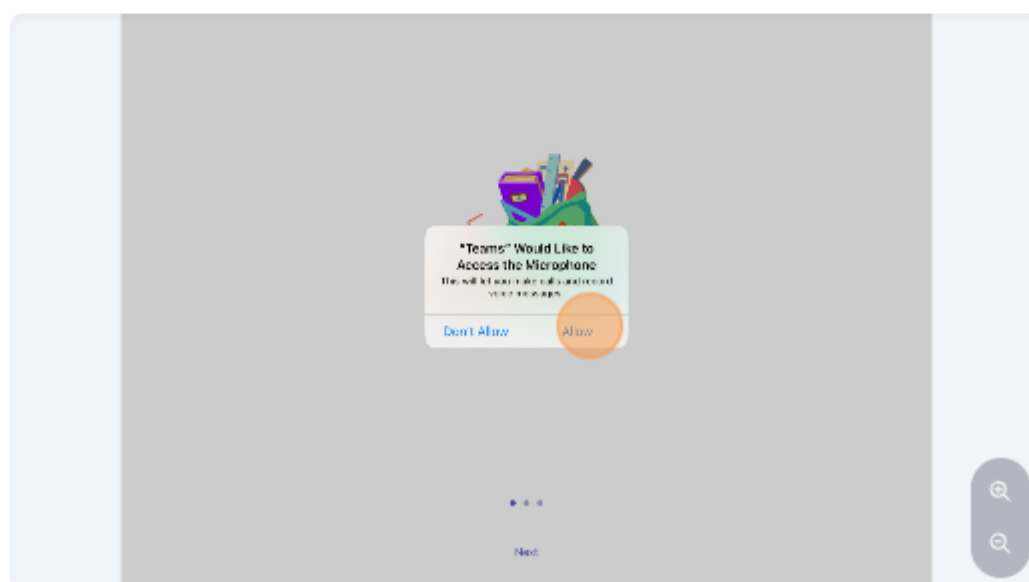

- 9 If prompted for your credentials, enter your GCS email address:  
StudentNumber@stu.gcsnc.com

- 10 Enter your GCS email address ( [StudentNumber@stu.gcsnc.com](mailto:StudentNumber@stu.gcsnc.com) ) and your GCS password.

- 11 Tap "Allow" to enable microphone access.

12 Tap "Next."

Get homework done anywhere.

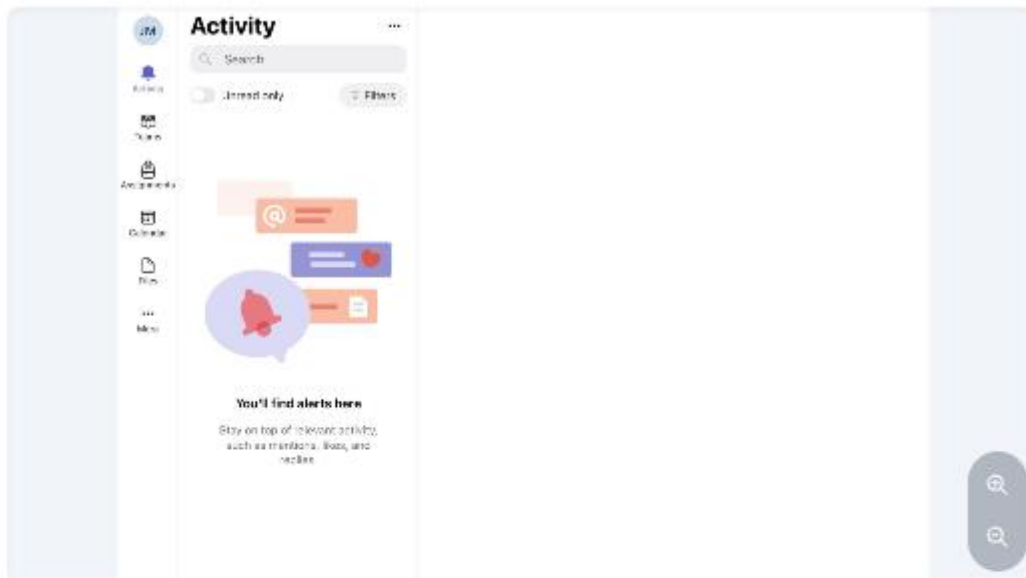

13 Tap "Got it."

Speak up. Show out. Start on.

14 You can now access Teams meetings in the app!
