

Dear Parents & Students

February has come and gone. We are now entering Spring where the flowers will bloom and bring in new beginnings. We have entered the 5th six weeks, and our scholars are preparing for STAAR in the following months. Our teachers have been prepping scholars with the tools they will need to conquer STAAR. Even though there is not a lot going on this month we want to still be mindful and keep scholars engaged until they take STAAR. We have one final six weeks until we are finished with this school year. Can you believe the year is almost over, we have accomplished so much in so little time.
