

## STUDENTS

### SCHOLARSHIPS

The Martin County West School Board strongly endorses local scholarships of MCW students attending post-secondary institutions. Applications for scholarships are available from the High School Principal or Counselor upon request. Students will need to submit completed applications back to the High School Principal or Counselor within a designated time frame. Scholarship areas include but are not limited to Dollars For Scholars, Joyce Sinn, academics, athletics, fine arts, and conservation, as examples. A student must be a senior at the time of the application deadline to be eligible for an award.
