Mr. Jason Osborne, Principal

Mrs. Kelly Goudy, Assistant Principal

Parent Involvement Policy for 2024-2025

The purpose of this policy is to foster a positive partnership between the school staff, parents, and community members to achieve improved academic success for all students.

Lady's Island Elementary School Shall:

1. Hold an annual meeting for all parents to inform them of this Parent Involvement Policy, explain each section of the policy.
2. Offer flexible meeting times (morning, afternoon, and evening) to involve parents in various parenting programs, or as needed, arrange in-home conferences with parents who are unable to attend conferences at school. These meetings will provide parents with materials and training to help parents understand how to work with children to improve academic achievement.
3. Involve parents in the development of the school's Title I Plan, Parent Involvement Policy, and other related plans that affect the education of children.
4. Involve parents in the development of training for teachers, administrators, and staff members to improve the overall effectiveness of such programs.
5. Send all information regarding programs, meetings, and activities to all parents in a language and format that parents can understand.
6. Remain open to parents' suggestions concerning school-based plans and submit any parental comments on the plan to the Local Educational Agency, if any part of the plan is not satisfactory to the parents of participating children.
7. Jointly develop and follow a school-parent compact outlining ways that parents, the entire school staff, and students can share the responsibility for improved academic achievement and how the school and parents will build and develop a partnership to help children achieve the state's high standards.
8. Help with increased parent understanding of state and local curriculum and achievement standards and methods of state and local assessment (testing).
9. Help with increased parent understanding of how to monitor their child's progress and how to work with school staff members to improve academic achievement.
10. Provide parents with an "open-door" policy, giving parents a chance to meet with staff members during reasonable hours, opportunities for parents to volunteer and participate in their child's class, and to observe classroom activities.
11. Involve parents in community-based programs that support increased parental involvement.
12. Provide reasonable support for parental involvement activities that parents may request.
13. Inform parents of Parenting/Family Literacy programs and the resources available to them.
14. Train parents to encourage the involvement of other parents.
15. Provide parents with a method of making suggestions not to be limited to a suggestion box
