(This page intentionally left blank)

**EXECUTIVE AUDIT SUMMARY (EAS) FOR  
INDEPENDENT SCHOOL DISTRICT NO. 2859  
YEAR ENDED JUNE 30, 2024**

We prepared this Executive Audit Summary and Management Report in conjunction with our audit of Independent School District No. 2859 (the District's) financial records for the year ended June 30, 2024.

**Audit Opinion**

The financial statements are fairly stated. We issued what is known as a "clean" audit report.

**Internal Controls Over Financial Reporting**

One material weakness in internal control was identified. It is a very common finding rolled forward from the prior year related to the auditor drafting the District's financial statements.

**Yellow Book Compliance Finding**

There were no separate yellow book compliance findings reported.

**Single Audit**

No findings were noted in related to the District fiscal year 2024 single audit. The major program tested was the Child Nutrition Cluster.

**Minnesota Legal Compliance**

There was one Minnesota legal compliance finding for the fiscal year 2024 due to the District not obtaining performance or payment bonds for a contract that was over \$175,000.

## FORMAL REQUIRED COMMUNICATIONS

Board of Education  
Independent School District No. 2859  
Glencoe, Minnesota

We have audited the financial statements of the governmental activities, each major fund and the aggregate remaining fund information of Independent School District No. 2859 (the District) as of and for the year ended June 30, 2024, and have issued our report thereon dated September 19, 2024. We have previously communicated to you information about our responsibilities under auditing standards generally accepted in the United States of America, *Government Auditing Standards*, and Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), as well as certain information related to the planned scope and timing of our audit in our engagement agreement dated April 6, 2024. Professional standards also require that we communicate to you the following information related to our audit.

### Significant audit findings or issues

#### ***Qualitative aspects of accounting practices***

##### *Accounting policies*

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the District are described in Note 1 to the financial statements.

No new accounting policies were adopted and the application of existing policies was not changed during 2024.

We noted no transactions entered into by the District during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

##### *Accounting estimates*

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no accounting estimates affecting the financial statements which were particularly sensitive or required substantial judgments by management.

**Financial statement disclosures**

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. There were no particularly sensitive financial statement disclosures.

The financial statement disclosures are neutral, consistent, and clear.

***Significant unusual transactions***

We identified no significant unusual transactions.

***Difficulties encountered in performing the audit***

We encountered no significant difficulties in dealing with management in performing and completing our audit.

***Uncorrected misstatements***

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has determined that the effects of the uncorrected misstatement are immaterial, both individually and in the aggregate, to the financial statements taken as a whole. The following summarizes the uncorrected misstatement of the financial statements:

- There was an immaterial prepaid asset that was not recorded in fiscal year 2024. As of June 30, 2024, assets and net position were understated in the amount of \$76,484. Due to being immaterial to the general fund, management determined it was not necessary to record the prepaid asset in fiscal year 2024.

Uncorrected misstatements or the matters underlying uncorrected misstatements could potentially cause future-period financial statements to be materially misstated, even if management has concluded that the uncorrected misstatements are immaterial to the financial statements under audit.

***Corrected misstatements***

None of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

We proposed certain entries while assisting your finance staff in the closing of the year-end accounting records. These types of adjustments are not considered "misstatements" for purposes of this communication.

***Disagreements with management***

For purposes of this communication, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. No such disagreements arose during our audit.

***Management representations***

We have requested certain representations from management that are included in the management representation letter dated September 19, 2024.

***Management consultations with other independent accountants***

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a “second opinion” on certain situations. If a consultation involves application of an accounting principle to the District’s financial statements or a determination of the type of auditors’ opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

***Significant issues discussed with management prior to engagement***

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to engagement as the District’s auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our engagement.

***Required supplementary information***

With respect to the required supplementary information (RSI) accompanying the financial statements, we made certain inquiries of management about the methods of preparing the RSI, including whether the RSI has been measured and presented in accordance with prescribed guidelines, whether the methods of measurement and preparation have been changed from the prior period and the reasons for any such changes, and whether there were any significant assumptions or interpretations underlying the measurement or presentation of the RSI. We compared the RSI for consistency with management’s responses to the foregoing inquiries, the basic financial statements, and other knowledge obtained during the audit of the basic financial statements. Because these limited procedures do not provide sufficient evidence, we did not express an opinion or provide any assurance on the RSI.

***Supplementary information in relation to the financial statements as a whole***

With respect to the schedule of expenditures of federal awards (SEFA) accompanying the financial statements, on which we were engaged to report in relation to the financial statements as a whole, we made certain inquiries of management and evaluated the form, content, and methods of preparing the SEFA to determine that the SEFA complies with the requirements of the Uniform Guidance, the method of preparing it has not changed from the prior period or the reasons for such changes, and the SEFA is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the SEFA to the underlying accounting records used to prepare the financial statements or to the financial statements themselves. We have issued our report thereon dated September 19, 2024.

With respect to the uniform financial report and account standards compliance table (collectively, the supplementary information) accompanying the financial statements, on which we were engaged to report in relation to the financial statements as a whole, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period or the reasons for such changes, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves. We have issued our report thereon dated September 19, 2024.

**Other information included in annual reports**

Other information (financial or nonfinancial information other than the financial statements and our auditors' report thereon) is being included in your annual report and is comprised of introductory section. Our responsibility for other information included in your annual report does not extend beyond the financial information identified in our opinion on the financial statements. We have no responsibility for determining whether such other information is properly stated and do not have an obligation to perform any procedures to corroborate other information contained in your annual report. We are required by professional standards to read the other information included in your annual report and consider whether a material inconsistency exists between the other information and the financial statements because the credibility of the financial statements and our auditors' report thereon may be undermined by material inconsistencies between the audited financial statements and other information. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report. Our auditors' report on the financial statements includes a separate section, "Other Information," which states we do not express an opinion or any form of assurance on the other information included in the annual report. We did not identify any material inconsistencies between the other information and the audited financial statements.

\* \* \*

This communication is intended solely for the information and use of the Board of Education and management of the District and is not intended to be, and should not be, used by anyone other than these specified parties.

A handwritten signature in cursive script that reads "CliftonLarsonAllen LLP".

# **APPENDIX A**

## **FINANCIAL TRENDS OF YOUR DISTRICT**

The following graphs reflect financial trends of Independent School District No. 2859. Information related to fund balances on pages 7 through 12 were obtained from current and prior year audit reports. Information from Independent School District No. 2859 has been included when appropriate for comparison purposes.

The graphs on pages 13 through 19 show expenditures per student served compared to the four most recent years, state averages and the averages for comparable size school districts (students served of 1,000 – 1,999). Prior year expenditure data and state wide averages were obtained from the Minnesota Department of Education. Current year expenditures were obtained from the current year's audit report.

### Pupil Support Services

Pupil Support Services - services to pupils not classified as instructional (counseling & guidance, health services, psychological services, and social work) - excludes transportation.

### Sites, Buildings & Equipment

Operations and Maintenance - activities related to the operation, maintenance, repair and remodeling of all physical plant, facilities and grounds of the District.

# APPENDIX B

## TECHNICAL UPDATE

### **GASB Statement No. 99 – Omnibus**

The objectives of this Statements are to enhance the comparability in accounting and financial reporting and improve the consistency of authoritative literature by addressing (1) practice issues that have been identified during implementation and application of certain GASB Statements and (2) accounting and financial reporting for guarantees.

This Statement addresses a variety of topics and includes specific provisions about the following:

- Classification and reporting of derivative instruments within the scope of Statement No. 53, Accounting and Financial Reporting for Derivative Instruments, that do not meet the definition of either an investment derivative instrument or a hedging derivative instrument
- Clarification of provisions in Statement No. 87, Leases, as amended, related to the determination of the lease term, classification of a lease as a short-term lease, recognition and measurement of a lease liability and a lease asset, and identification of lease incentives
- Clarification of provisions in Statement No. 94, Public-Private and Public-Public Partnerships and Availability Payment Arrangements, related to (a) the determination of the public-private and public-public partnership (PPP) term and (b) recognition and measurement of installment payments and the transfer of the underlying PPP asset
- Clarification of provisions in Statement No. 96, Subscription-Based Information Technology Arrangements, related to the subscription-based information technology arrangement (SBITA) term, classification of a SBITA as a short-term SBITA, and recognition and measurement of a subscription liability
- Extension of the period during which the London Interbank Offered Rate (LIBOR) is considered an appropriate benchmark interest rate for the qualitative evaluation of the effectiveness of an interest rate swap that hedges the interest rate risk of taxable debt
- Accounting for the distribution of benefits as part of the Supplemental Nutrition Assistance Program (SNAP)
- Disclosures related to nonmonetary transactions
- Pledges of future revenues when resources are not received by the pledging government
- Clarification of provisions in Statement No. 34, Basic Financial Statements— and Management's Discussion and Analysis—for State and Local Governments, as amended, related to the focus of the government-wide financial statements

### **GASB Statement No. 100 – Accounting Changes and Error Corrections – An Amendment of GASB Statement No. 62**

This Statement prescribes the accounting and financial reporting for (1) each type of accounting change and (2) error corrections. This Statement requires that (a) changes in accounting principles and error corrections be reported retroactively by restating prior periods, (b) changes to or within the financial reporting entity be reported by adjusting beginning balances of the current period, and (c) changes in accounting estimates be reported prospectively by recognizing the change in the current period. This statement was effective for fiscal years beginning after June 15, 2023, and all reporting periods thereafter, so it was implemented in fiscal year 2024.

**GASB Statement No. 101 – Compensated Absences**

This Statement requires that liabilities for compensated absences be recognized for (1) leave that has not been used and (2) leave that has been used but not yet paid in cash or settled through noncash means. A liability should be recognized for leave that has not been used if (a) the leave is attributable to services already rendered, (b) the leave accumulates, and (c) the leave is more likely than not to be used for time off or otherwise paid in cash or settled through noncash means. Leave is attributable to services already rendered when an employee has performed the services required to earn the leave. The requirements of this Statement are effective for fiscal years beginning after December 15, 2023, and all reporting periods thereafter.

**GASB Statement No. 102 – Certain Risk Disclosures**

The primary objective of this Statement is to provide users of government financial statements with essential information about risks related to a government's vulnerabilities due to certain concentrations or constraints. This Statement defines a *concentration* as a lack of diversity related to an aspect of a significant inflow of resources or outflow of resources. A *constraint* is a limitation imposed on a government by an external party or by formal action of the government's highest level of decision-making authority. Concentrations and constraints may limit a government's ability to acquire resources or control spending. This Statement is effective for periods beginning after June 15, 2024.

**GASB Statement No. 103 – Financial Reporting Model Improvements**

The primary objective of this Statements is to improve key components of the financial reporting model to enhance its effectiveness in providing information that is essential for decision making and assessing a government's accountability. Areas impacted include the MD&A, Proprietary fund Statement of Revenues, Expenses, and Changes in Fund Net Position, and Budgetary Comparison Information. This Statement is effective for fiscal periods beginning after June 15, 2025.
