Assistant Principal

July 30, 2024

Greetings Richardson Park Family,

My name is Cordie Greenlea, and I want to formally introduce myself as the new Principal of Richardson Park Elementary School. I have served as an educator in the State of Delaware for over 31 years. I began my career as a special education teacher, then served as a dean, an assistant Principal and have also served as a Principal in Christina School District.

As an educational leader, I strongly believe in establishing a collaborative learning environment with everyone involved in our learning community. I believe in building strong relationships, showing compassion and respecting our differences while establishing high academic expectations for all our students.

I am eager to get to know and work with the staff, students', families, and community representatives that make up the Richardson Park Family. In a few short weeks we will be returning from summer break and going about the business of educating the students here for success.

As we begin this journey we will focus on:

1. Establishing systems and procedures.
2. Building relationships to support socio-emotional needs by becoming a compassionate school that will drive student discipline.
3. Develop and improve literacy skills so that our students can grow and excel in all areas of learning.

I am extremely excited and grateful for the chance to work with and serve as a Richardson Park School Community member. I am excited for an awesome year for our students, staff, and families. Feel free to Reach out to me at cordie.greenleaiii@redclay.k12.de.us
