

Teton County School District, Jackson, WY

We're Hiring!

Teach. Live. Play.

Come work for a great school district, in a great community. Teton County School District is currently seeking Spanish-speaking teachers for our dual immersion program at the elementary, middle, and high school levels. Enjoy small class sizes, planning time, great school facilities, excellent benefits, and live in one of the most beautiful places on earth.

Spanish-Speaking TEACHERS WANTED

WANTED

Spanish-Speaking Teachers & Support Staff

Dual Immersion

- Great Community Support
- Dedicated K-5 School
- 50:50 Program Model
- Team Teaching

School District

Great Benefits Package

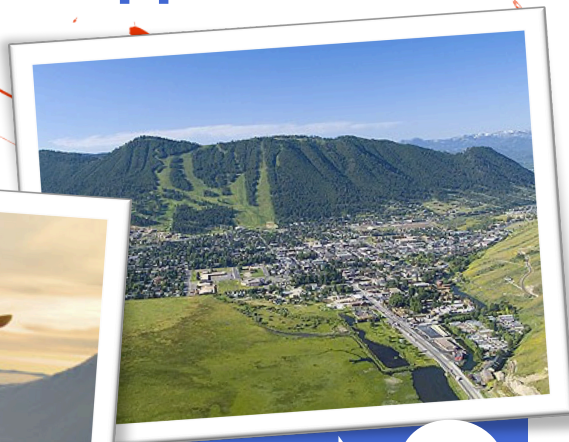

- \$68,369 BA; \$76,977 MA.
- Wyoming Pension Eligible
- Full **Family** medical, dental and vision insurance.
- 10 PTO and sick days per year.

Stable Funding Model -

Wyoming ranks in the top 25% nationally for per pupil spending.

Smaller District - 3 main elementary schools, one middle school, one large high school and one alternative high school - ~2900 students.

Diverse Student Body and Faculty - largest MLL student population in Wyoming, and teachers from Mexico, Peru, Costa Rica, Columbia and Germany. Possible visa support available.

Working Environment

- Planning time every day—specialists for PE, Music, Art, STEAM, Library and Science. Double planning periods at middle and high schools.
- Low class size: K-5 classes of ~15-17 students.
- Quality, job-embedded professional development: new teacher mentor program, instructional facilitators, 10 full professional days each year.
- Commitment to technology: 1:1 device district, modern classroom equipment, digital integration throughout K-12.

Vibrant Community

- Small town feel, big city services: theater companies, excellent public transportation, direct airport services, concerts...
- Young, active community.
- Affordable housing opportunities.
- Outdoor Mecca—Gateway to Grand Teton and Yellowstone; world-class skiing, hiking, biking, snowmobiling, hunting whitewater rafting, and climbing.
- Over 97% of Teton County is public land.
