From Oregon Department of Justice:

D. Requirements of the Law; 7. Minutes and Recordkeeping:
"The written minutes or recording must include at least the following information:

- *members present;*
- *motions, proposals, resolutions, orders, ordinances and measures proposed and their disposition;*
- *results of all votes; and, the vote of each member by name, except for public bodies consisting of more than 25 members unless recording by name is requested by a member of that body;*
- *the substance of any discussion on any matter; and*
- *a reference to any document discussed at the meeting, unless even a reference to the document is exempt under Public Records Law.*

Written minutes need not be a verbatim transcript, and a sound, video, or digital recording is not required to contain a full recording of the meeting, except as otherwise provided by law. However, the minutes or recording must contain the above information and must give "a true reflection of the matters discussed at the meeting and the views of the participants."
