

**Lindenwold Preschool
Student Code of Conduct**

We will make a concerted effort to reach out to the families of students demonstrating challenging behaviors in an effort to work together to address student challenges. Students with repeated behavioral concerns in our preschool classrooms will be referred to our Preschool Intervention and Referral Team (PIRT). The PIRT team will work together to develop and implement an action or intervention plan for that student. As per New Jersey Administrative code, students in Preschool cannot be suspended or expelled.
