

STUDENT SUCCESS

Ensure that all students are well rounded and emotionally and academically prepared for success in post-secondary education, the workforce, and life.

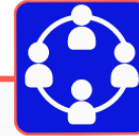

- Ensure all students have access to curriculum and instruction that matches their skills and inspires growth.
- Opportunities for students to reach their highest potential.
- Supporting the whole child including the development of social/emotional and life skills.

EFFECTIVE INSTRUCTION

Encourage a learning environment that emphasizes excellence and retains high-quality staff.

- Seek, hire, and retain effective staff.
- Identify gaps in student learning and develop instructional approaches to meet the needs of all students
- Provide professional development aligned to student and teacher wants and needs.
- Support positive and collaborative culture that enhances professional learning and practice.

COMMUNITY PARTNERSHIPS

Actively engage and communicate with all families to foster collaborative relationships that benefit student learning and understanding of District priorities.

- Use relevant on-going communication tools and methods to engage parents and community.
- Assist parents with understanding student learning standards, expectations, and district priorities.
- Expand community partnerships.
- Support positive and collaborative community culture that enhances connections between families.

SUSTAINABLE RESOURCES

Advance effective use of resources to support safe, learner ready facilities and to maximize student learning.

- Develop a long-range financial plan that includes instruction, professional growth, technology, and facilities.
- Provide spaces that support collaborative learning opportunities.
- Ensure safe and secure learning environments in collaboration with first responders and ERPs.
- Engage stakeholders in the development of effective use of resources and explore shared service opportunities, cost-saving consortiums, and ventures.
