

Dear Community Member,

Each spring, the State College Baseball Booster Club works diligently to ensure a productive and memorable season for the athletes, coaches, and families involved in the State College Baseball Program. As part of our efforts, we rely on the generous support of local businesses and community members to help cover essential costs such as uniforms, equipment, travel meals, our year-end banquet, and other expenses not funded by State High Athletics.

Our Junior Varsity and Varsity teams consist of dedicated student-athletes from State College Area High School who deeply appreciate the contributions made by our supporters. These athletes are passionate about the game, and the Booster Club is committed to fostering and supporting their love for baseball. Your contribution, at any level, would provide much needed funds as well as provide exposure for your business within the State College community, especially among parents and supporters.

We are also pleased to announce that we have recently been recognized as a 501(c)(3) nonprofit organization, which could provide tax benefits for your donation.

On behalf of the 2025 State College Baseball team, we sincerely thank you for considering this opportunity to support our program. Enclosed, you will find a Sponsorship Form with more details. If you have any questions or would like further information, please feel free to contact me directly via phone or email at your convenience.

Go State!

Sincerely,

Tina Powers, President
State College High School Baseball Booster Club
