

Lower School “Level Up” Fun Run

The Lower School Fun Run and obstacle course is an opportunity to teach and model the act of giving to Pine Lake students. Unlike traditional public schools, charter schools do not receive funds for their land, buildings, transportation or capital projects. It is through Pine Lake’s fundraising efforts that we are able to overcome funding inequities. Teaching our future leaders about stewardship and working together for a common goal is of great value to our community. The Lower School “Level Up” Fun Run and obstacle course gives students the opportunity to acknowledge the needs of our school and encourages them to find ways to raise funds. We believe that every student can make a difference and have a sense of pride that they contributed to their school.

HOW CAN STUDENTS PARTICIPATE?

All lower school students will have the opportunity to participate in the fun run scheduled for **April 1st**. Students have the opportunity to raise money for their school by asking friends, family and local businesses to sponsor them in the fun run. Sponsors can contribute either a fixed amount or a per lap donation. If sponsors opt for the per lap donation, please be aware that the system will **automatically default to 35 laps completed** after the event. For those with a specific donation amount in mind, choosing the flat donation option is recommended.

While participation in the run is not mandatory, students are encouraged to enjoy their time with their classmates. Whether running or walking, students are encouraged to complete as many laps they feel comfortable doing!

Event Day Schedule

2nd and 3rd grade 8:30am - 9:15am

Kindergarten and 1st grade: 9:45 – 10:30am

4th and 5th grade: 11:00am-11:45am

Families are welcome and encouraged to come out and cheer on their student!
