

# Mini Mustang Preschool

**Rolling Meadows High School**

2901 Central Rd. Rolling Meadows, IL 60008

## Program Details

For over 40 years, the Mini Mustang Preschool has been providing programming for the Rolling Meadows community. Our program prides itself on the developmentally appropriate, quality education for ages 3-5. A one-to-one student teacher ratio offers individualized attention to each preschooler. RMHS students in Education Pathway classes develop unique lesson plans taught in small groups.

Tuition is \$125 per semester. Scholarships are available for families with financial need. A \$25 non-refundable registration fee is required. We welcome all preschool aged children and do not need to be a resident of District 214.
