March 2025

Principal's Message

As I write this, I'm delighted to see the temperature finally above forty degrees! This winter has presented challenges for us at school, and I know many of you have experienced similar difficulties. We're eager to get back into our educational rhythm. I want to extend a sincere thank you to all the chaperones and parent volunteers who contributed to the resounding success of our February school dance. We had a fantastic turnout with no significant concerns, thanks to your support. With the arrival of spring, our sports season is about to begin, and we look forward to enjoying the warmer weather. We're also excited to celebrate Read Across America Week, starting Monday, March 3rd, with daily events planned to highlight the importance of reading. Please refer to our March calendar for a complete list of activities. We wish you and your families a safe and healthy spring season.
