WE'VE
MOVED

As District Center is vacated, building renovations will be made to expand Central Middle School for the Fall 2025. These changes are part of the district's *Building Our Future* facilities plan that was supported by the community's approval of the district's 2019 bond referendum.

ONLINE Classes: Link will be emailed 2-3 days prior to the start date. If you do not see the link, check your SPAM, then call 651-653-3121.

Facilities Reservations: All requests for facility use within the White Bear Lake Area School District #624 should be made on either the Facility Scheduling Voicemail Line, 651-407-7503, or email your request to: facilities@isd624.org.

Refunds & Prorating: To cancel your class registration, notify us immediately. Refunds are not issued after an in-person class has begun or, for online classes, if the class link and materials have been emailed to you already. To receive a refund, minus a processing fee, you must withdraw from an activity at least 3 business days prior to the first day of the activity or before receiving online materials. Call 651-407-7501. Some exceptions apply.

Processing fees for classes:

Your Privacy is Important to Us: Your registration information is considered private data under state and federal law. Information is used for the purposes of administering the activity or contacting you about upcoming cancellation changes. If you choose to withhold this information, this could limit the distribution of information.

Liability Waiver: There is an inherent risk of accident or injury in any activity. It is the responsibility of the participant or the parent of the participant to be aware that there are assumed risks in participation. ISD 624 assumes no responsibility for injuries received during activities. Any changes in a participant's activity level should be done under approval and direction of their physician and/or healthcare provider(s).

Do You Have a Disability? Do not let it be a barrier to enjoying the wide variety of class offerings in this catalog. Please call 651-407-7501 to discuss accommodations.

Need Financial Assistance? WBL Community Services & Recreation is dedicated to providing learning opportunities for people of all ages. Limited financial assistance is available. For details and to apply, call 651-407-7501.

Waitlist: When a class is at capacity, we create a waitlist, where you have the option to add your name. If a spot becomes available, we'll call you. If we do not reach you, a voicemail will be left, giving you some amount of time to return the call. If you do not contact us, we will call the next person on the list. Thank you for your understanding.

ISD 624 does not discriminate on the basis of sex and prohibits sex discrimination in any education program or activity that it operates, as required by Title IX, including in employment. Complete information in SB Policy 522.

Meals on Wheels

Meals on Wheels (MOW) is a community-based service that provides fresh, nutritious meals delivered directly to the homes of seniors and individuals with disabilities.

Meals on Wheels eliminates stress by providing fully prepared meals delivered right to your door.

We offer flexibility in our Monday - Friday delivery options: choose from hot, cold, or frozen meals that suit your lifestyle. We also offer gluten and dairy free, low sodium, mechanically soft and pureed meals. This not only saves you time, but allows you to focus on other important aspects of your life. For more details call 651-653-3123.

- Monday - Friday delivery between 11:30 AM - 1:00 PM.
- Weekend meals are delivered frozen on Thursdays.
- Adults living in the White Bear Lake & Mahtomedi School Districts are eligible to receive meals.
- Cost is on a sliding scale based on income.

Manitou FC

YOUNG LEGENDS LEAGUE

The Young Legends League provides beginner boys and girls players in the U5-U7 with an age-appropriate program structured to provide children a fun experience playing soccer in small-numbered games. Game formats provide for fewer players on the field, thus increasing the opportunities for involvement, ball contact, physical activity, and enjoyment. Supervision and instruction is provided by both volunteer coaches and Manitou FC coaching staff. Players are guided in games and one weekly training session by volunteer coaches while a second "club lead" session is conducted by Manitou FC coaching staff each week during the league season.

A PLUS Driving School: Age 14-18

This 30-hour program will be conducted by a certified instructor from A+ Driving School and will fulfill the state driver's education requirement. The course will address the "how to" and "whys" of safe driving. The format of the class will be lecture and active discussion. After completion of the program, students will be able to set up and participate in behind the wheel sessions to meet the six hour state requirement.

Students may start classroom driving lessons at age 14, take the Knowledge Test and obtain their Instruction Permit at age 15, and take the Road Test and obtain their Provisional License at age 16. To be eligible to take the Road Test, students must have had their Instruction Permit for a minimum of six months.

The Driver's Education Program is divided into two phases:

Classroom Phase - teleconference/in-person: This phase includes the required 30 hours of classroom instruction that prepares the student to take the Minnesota permit test and to take on the responsibility of driving. If a lesson is missed, a make-up lesson can be arranged with the office at either the next White Bear session or at another of A+'s locations.

Behind-the-Wheel Phase After students pass the permit test, they are required to complete six hours of driving lessons. The lessons are provided in three, two-hour lessons. The lessons are one-on-one instruction with instructors licensed through the MN Dept. of Public Safety. Students can be picked up from and dropped off at home, school or work. Detailed information about scheduling the behind-the-wheel lessons will be provided.

Parent Involvement: A+ Driving School is proud to offer a parent informational meeting in White Bear Lake. *Attending this class will meet the requirement to REDUCE the number of hours that students need to drive with a parent from 50 to 40 hours.*

WBL Summer Nordic Ski: Gr 7-12

This program will focus on strength, technique, speed and endurance. You can attend any or all weekly sessions, plus alternating Saturday mornings. The Wednesday evening sessions, though, will be of higher rigor with a focus on long-distance rolls.

Wed: 6:00 - 8:00 PM

Tue & Thu: 8:00 - 10:00 AM

The two morning sessions are geared more toward skills and will gradually turn into longer distance rolls. Saturday rolls will be at various locations in the eastern metro and will be primarily longer distance rolls.

Locations will vary within the ISD 624 boundaries, and the Wednesday and Saturday sessions will be a little further afield, but nearby. Roller skis are required (a combo or classic ski or a set of skate skis and a set of classic), and helmets are mandatory. There will be some skis, boots, and poles available for use, but the supply is limited. All participants will receive a t-shirt!

** Skiers will be able to pick/choose which days they attend

** Wednesday evening is for advanced level only

Youth Tennis

WBL Community Ed is excited to partner with the Soar Tennis Academy for kids tennis programming. Soar Tennis was founded by Matt Swigart, a USPTA certified teaching pro who is the winningest all-time Head Men's and Women's Tennis Coach at the University of Northwestern - St. Paul. Matt and his coaching staff are excited to work with WBL students and families this summer! Participants will be matched to courts by ability level for each camp.

Beginner: Players who have little to no experience playing tennis. Students will learn each stroke from the very beginning and work on technique in a success-orientated environment. This class uses age-appropriate tennis balls.

Intermediate: Players who completed the beginner class or have some playing experience. Concentration is on improving technique and learning how to control the ball. In class players focus on stroke production, learning to hit to specific targets and point playing experiences.

Advanced: *Prerequisite: Beg/Inter Class or equivalent experience.* Players will concentrate on court positioning, strategy and reviewing and improving their techniques. There will be "player sustained" drills which simulate match play.

Learn to Play Matches: For players who have completed at least the intermediate classes and who are interested in learning about playing matches. This is for kids who are going into grades 5-9. Participants must be able to serve the ball in and maintain a rally.

Tennis Rainout Policy: Tennis courts become slippery when wet. If it is raining and courts are unplayable, class will be canceled. You will receive an email or phone call with the notification 30 minutes or earlier prior to your session. If conditions are questionable, please show up for your regularly scheduled start time and we will do our best to get the session in. If class is canceled due to weather, a makeup session will be held on that Friday. If it rains twice in one week, unfortunately we only add the 1 extra makeup session.

Community Confidence: Survey Highlights Support and Satisfaction

White Bear Lake Area Schools recently conducted a community and parent survey to gather insights into the district's performance and community perception. The results, presented by Peter Leatherman from The Morris Leatherman Company at a School Board work session, highlight a strong sense of satisfaction and support from both district residents and parents.

The survey, conducted in December, included responses from a random sample of district residents and parents. The results were overwhelmingly positive, with WBLAS scoring above the norm in multiple categories compared to other school districts.

One of the standout statistics from the survey was the overall quality rating of WBLAS. An impressive 86% of residents rated the district favorably, surpassing the typical 80% norm. Parents responded even more positively, with a 91% favorable rating. This reflects a strong sense of confidence in the district's leadership, staff, and educational approach.

When asked about the quality of education provided by WBLAS compared to three years ago, residents showed a 4:1 ratio in favor of improvement, double the standard 2:1 ratio.

District Center offices, Community Room moved to Sunrise Park

District offices, including the Centralized Enrollment Center and the Community Room where board meetings take place, have moved to the Sunrise Park building located at 2399 Cedar Ave. in WBL (formerly Sunrise Park Middle School). The District Service Center entrance is located on the west side of the Sunrise Building along Cranbrook Drive. The Senior Center will also be accessible by the west entrance when the program moves to Sunrise Park this summer.

With District Center vacated, Phase 2 renovations to the building are being made to allow Central Middle School to expand into the space. The Central updates will be ready for Fall 2025.

Renovations will continue at Sunrise, with the Early Childhood Center and Transition Education Center moving into the building in Fall 2026. These changes are part of the district's Building Our Future facilities plan supported by the community's approval of the district's 2019 bond referendum.

Parents were even more supportive, with an outstanding 6:1 ratio favoring educational progress. These numbers indicate that the district's continuous efforts to enhance learning experiences are being recognized and appreciated by the community.

The survey also explored the job performance of WBLAS teachers and instructional staff. The results revealed high approval ratings, with 88% of residents expressing a favorable opinion (compared to the norm of 80%), while parents responded even more positively with a 91% approval rating. This demonstrates the high level of trust and respect the community has for WBLAS educators and their commitment to student success.

In response to a question about phrases people might use to describe WBLAS, "excellent teachers" received the highest favorable response at 95% from both residents and parents. This overwhelming endorsement reflects the incredible work of our educators and the district's dedication to recruiting and retaining top-notch staff members who make a lasting impact on students.

Community investment in WBLAS was another key area of focus in the survey. When asked if the community receives good value from its investment in public schools, 89% of residents responded favorably, exceeding the norm of 85%. Among parents, this figure was even higher at 92%. These results affirm that the district's strategic initiatives and resources are being well-utilized to benefit students and the broader community.

Beyond academic performance and community value, the survey also revealed that parents overwhelmingly feel welcomed and accepted at their child's school. Furthermore, they recognize the genuine care and dedication of teachers and staff. These insights underscore the importance of fostering a positive, inclusive, and supportive educational environment for all students and families.

Mr. Leatherman emphasized that WBLAS is moving in the right direction, and these positive survey results are a testament to the district's collective efforts. Achievements like these are not accidental; they result from the dedication and hard work of educators, administrators, staff, students, and the wider community.

As Superintendent, I am incredibly proud to be part of a district that continuously strives for excellence. I extend my deepest gratitude to our educators, staff, parents, and community members who make WBLAS a place of growth, opportunity, and success. Thank you for your unwavering commitment to our students and their future.

Dr. Wayne Kazmierczak
Superintendent

Building Our Future - Bricks, Mortar, and Programs

The White Bear Lake Area Schools community is on the verge of celebrating the substantial completion of the 2019 bond referendum's comprehensive building projects. This is an exciting chapter for the district, as key projects come to fruition, enhancing the learning environment for students and staff alike.

Celebrating New Spaces

In December, students, staff, alumni, and community members gathered for a pre-game reception and packed the gym at White Bear Lake Area High School for the first Boys' Basketball game of the season. A special dedication honored long-time coach, teacher, and community member Jim Galvin, officially naming the WBLAHS gymnasium "Galvin Court."

Just before the end of the calendar year, the White Bear Lake Area High School Performing Arts Center (PAC) officially opened its doors. This state-of-the-art venue, with a seating capacity of more than 800, has already hosted its first student music performances and will be home to future productions, including the high school's fall musicals. The PAC not only enriches the district's arts programming but also has the opportunity to become a hub for the broader community.

Expanding Educational Opportunities

Beyond infrastructure, the district is committed to innovative academic programs. In Fall 2025, the district will launch an Elementary Spanish Dual Immersion program at Otter Lake Elementary and Matoska International, with each school hosting up to three kindergarten immersion classrooms. The immersion program will serve both Spanish-speaking and non-Spanish-speaking students together in a bilingual environment, fostering academic growth, enhanced language and cultural understanding, social-emotional development, and expanded future opportunities. Find additional details about the program at www.isd624.org/immersion.
