

CELEBRATE

World Down Syndrome Day

on
March 21

Sundaes
THE ICE CREAM PLACE

from 6:30-10pm
on
Thursday, March 20

Why socks?

Under a microscope, pairs of
chromosomes look like pairs of socks.

APPROVED FOR DISTRIBUTION
Matawan-Aberdeen Regional School District

Authorized Signature

Rock your socks

**Wear your brightest,
mismatched socks on
Friday, 3/21!**

Grab a sweet treat the
night before and
support the National
Down Syndrome
Society!

Why bright & mismatched?

To celebrate our friends with Down
syndrome, who are a bright light in the world!
And to remember that we can ALL be
different and still go great together!
