Parking Information:

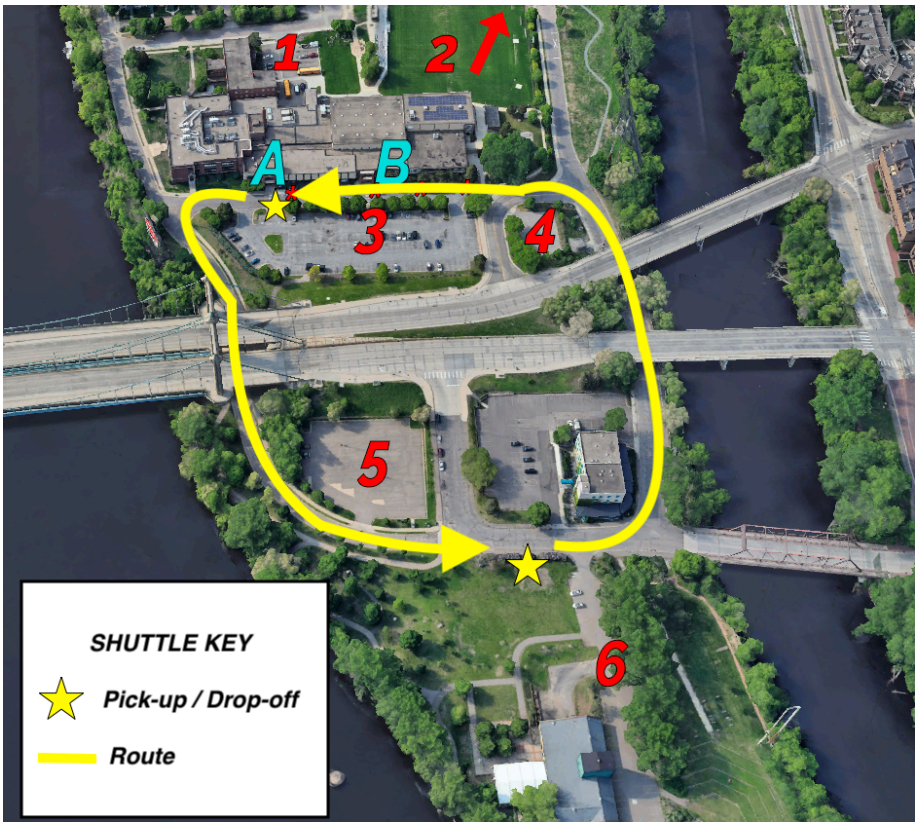

As family, friends, current and former students, and our DeLaSalle Community come to celebrate Jeremy Zavitz, we want to communicate parking and shuttle information with you prior to your arrival.

We are encouraging guests to use the **Main Lot (3)** for general parking. Those needing accessible parking are encouraged to park along the **curb in front of the school (*)**, between the Main Entrance and East Island Avenue. The **Donut Lot (4**) is reserved for the family's special guests. After the Main Lot (3) is full, we have reserved the **Bridge Lot (5)** for overflow parking.

Supplemental parking around the school is available, and DeLaSalle staff will be present to provide guidance and direction.

Shuttle Information:
A few DeLaSalle vans will be providing shuttle services for the overflow parking **(2, 5, and DeLaSalle Faculty and Staff Parking - 6)**. This will help avoid walking from these supplemental parking zones to school.

Building Entrance:
Guests are encouraged to enter campus using the **Main Entrance (A)** or **Activities Entrance (B).** Further direction will be provided upon entrance as to where to go.
