science

math

### Literacy

**Unit 7 Investigating the Past**

How does understanding the past shape the future?

In this unit, students will read and compare selections about different times in history.

### Social Studies

**Economics**

In this unit students will be explore the choices they make in terms of cost and benefits.

**Global Minnesota**

**Classroom Connection Volunteer**

A day in the life' of a student in South Korea - including everyday food and learning about the flag. As an activity, we'll do 'name writing'. We will also learn about geography and their culture and traditions.

## NO SCHOOL

Friday, March 28th

## SPRING BREAK

March 31 - April 1
