Dear Students, Parents, & Community Members,

I hope everyone had a wonderful February break. We're already nearing the halfway point of the third marking period and have hit the 100-day milestone of the school year! Progress reports will be sent home with students on Thursday, March 13th.

Winter sports are wrapping up next week. Our JV and Varsity teams recently concluded successful seasons, and our modified athletes are in their final week of competition. A special congratulations to Arianna Kernan and the Section 3 gymnastics team for winning the state title! I've truly enjoyed watching our student-athletes compete this winter. Looking ahead, the spring JV and Varsity seasons will begin on March 17th. For more details on our sports programs and to register your child for spring sports, please visit the athletics tab on our website. Here are a few important reminders for March:

- The Clash of Classes competition will take place after school from March 10th–13th for all 10th, 11th, and 12th graders. The event will run daily from 3:00–5:00 PM.
- March 14th is a Superintendent's Conference Day, so there will be no school for students.
- The Spring Musical will be held on March 21st and 22nd.

Looking forward to a great month ahead. As always, thank you for your continued support of our students, staff and school!

Sincerely,

Andrew K Kennedy Oriskany Jr./Sr. High School Principal

Health & Wellness Day

In February, we successfully organized our Health and Wellness Day for our Jr./Sr. High students. Each grade took part in a day of activities designed to promote physical activity and well-being. The event included a variety of exciting experiences: 7th and 8th graders participated in fitness sessions at Elevate Sports Center, 9th graders enjoyed ice skating at Whitestown Rink, and 10th graders had fun bowling at Vista Lanes. Unfortunately, snow tubing at Maple Ridge for 11th and 12th graders had to be canceled due to inclement weather and subsequent safety concerns on the mountain. We are planning to reschedule a different event in the spring. These activities gave students a wonderful opportunity to stay active and connect outside the classroom. We sincerely appreciate everyone's participation and enthusiasm in making this event a success!
