Curriculum & Professional Learning Update
Ms. Kiesel reported the following:
Professional Development:
January:

- Extended data team meetings where teachers could dig into the curriculum
- Reading Fluency and Data Analysis Professional Learning with Literacy How
- Coaching with Amplify Consultants to support K-3 staff with the CKLA resource.

February:

- Teachers will be able to continue their curriculum work with an extended data team time during the professional learning time on the 14th

Curriculum:
Working on updating the curriculum section of the website in order to provide resources for families so they can better understand the curriculum to support their children. This will be a process as we want to ensure that what we update is accurate and the most up to date information.
