Items for next meeting:

RITZVILLE SCHOOL DISTRICT #160-67 and LIND SCHOOL DISTRICT #158
JOINT BOARD MEETING
December 19, 2024

The meeting of the Board of Directors of Ritzville School District #160-67 and Lind School District #158 was held in the Lind-Ritzville High School Collaboration Room on December 19, 2024. The following members were in attendance:

Ritzville School Board Members:	Erin Repp	Tia Kubik
	Scott Carruth	Reid Phillips

Lind School Board Members:	Adam Labes	Greg Schmunk
	Jim Weidemann	Breanne Williamson
	Kevin Starring	

Ritzville Chair Repp led the Pledge of Allegiance.

Ritzville Chair Repp called the Ritzville School Board meeting to order at 6:30 P.M.

Ritzville Director Carruth moved to approve the November 25, 2024 Regular Board Meeting minutes. Director Kubik seconded the motion. A voice vote was heard with all present members voting aye. The motion carried.

Ritzville Director Kubik moved to approve the agenda with the following change: switching the order of items 9b and 9c. Ritzville Director Phillips seconded the motion. A voice vote was heard with all present members voting aye. The motion carried.

Ritzville Director Carruth moved to approve the Consent Agenda as follows: General Fund Accounts Payable - \$76,536.60, Transportation Cooperative Accounts Payable - \$39,634.02, Associated Student Body Fund Accounts Payable - \$3,072.71, Capital Projects Accounts Payable - \$10,762.20, Payroll for December 31, 2024 - \$438,370.54, Accept Resignation from HS Softball Head Coach - Todd O'Brien, Approval of Board Meeting Dates for 2025, Board Designation of Official Media - Adams County Ritzville Journal. Ritzville Director Kubik seconded the motion. A voice vote was heard with all present members voting aye. The motion carried.

Lind Chair Labes called the Lind School Board meeting to order at 6:32 P.M.

Lind Director Starring moved to approve the November 25, 2024 Regular Board Meeting minutes. Director Williamson seconded the motion. A voice vote was heard with all present members voting aye. The motion carried.

Lind Director Williamson moved to approve the agenda with the following change: switching the order of items 9b and 9c. Lind Director Schmunk seconded the motion. A voice vote was heard with all present members voting aye. The motion carried.

Lind Director Schmunk moved to approve the Consent Agenda as follows: General Fund Accounts Payable - \$55,449.07, Transportation Cooperative Accounts Payable - \$39,634.02, Associated Student Body Fund Accounts Payable - \$400.58, Capital Projects Fund Accounts Payable - \$34,063.20, Payroll for December 31, 2024 - \$357,872.40, Accept Resignation from HS Softball Head Coach - Todd O'Brien, Approval of Board Meeting Dates for 2025, Board Designation of Official Media - Adams County Ritzville Journal. Lind Director Starring seconded the motion. A voice vote was heard with all present members voting aye. The motion carried.

Joint Items

Legislative Update

Superintendent Vanderholm updated the boards on Legislative news, sharing information from the annual meeting with the legislature and ESD Superintendents. This included that Washington state is facing a projected \$14 billion deficit over the next four years and Governor Inslee's 2025-27 operating budget does not include funding for MSOC, special education and transportation. He explained that Governor budget proposals are not binding, and the Legislature will consider it as they develop their own proposals during the 2025 Legislative Session. He shared that with the budget deficit, the legislature may pass funding for non-yellow bus transportation for students such as Suburbans or vans.

Reports to the Board

Students & School Programs

Student Representative Report

Lind-Ritzville High School Student Representative, Cicely Herrera and Addy Colbert, shared an update on events happening at LRHS, including Winterfest dress-up days and dance, Bikes for Tikes and Nourishing Champions station for student athletes. They thanked all the high school staff for their hard work and their participation during Winterfest.

Principals' Report

Principal reports from RGS Principal Tanner LaTour, LES Principal Sarah Dinkins, LRMS Principal Don Walker and LRHS Principal Kevin Terris were distributed to the Board of Directors in the board packets this month.

LRMS Principal Don Walker gave an update on the proposed four-day school week. Approximately ninety people attended the community forums in-person or by Zoom. After the information was presented, attendees had the opportunity to complete a survey. Of those surveyed, 68.9% were in favor of moving forward with a 4-day school week, 20.3% voted maybe and 10.8% voted no. The survey included two calendar options, 54.1% preferred the 154 school day option and 45.9% preferred the 150 day option. Mr. Walker handed the board two other calendar options, a 154 school day with the school day schedule of 8:15 am - 3:45pm (1081.5 instructional hours) and a 158 school day calendar with the school schedule of 8:15am - 3:45pm (1083.1 Instructional hours). Mr. Walker explained that the district is currently at 1050 instructional hours, moving to a 4-day week would add approximately 30 hours of instructional time. Mr. Walker shared that a survey was emailed to LRCS families and links posted on district social media sites. He reported the survey results, noting that there were 325 responses made up of 51.4% parent/guardians, 19.7% staff, 21.5% students and 7.4% community members. Overall 71.1% were in favor of the district moving to a 4-day week with 28.9% voting no. Within

the group that was in favor of the 4-day school week, 62.5% community members, 89.1% staff, 68.8% parents/family and 70% of students all voted in favor of the 4-day school week. He also shared some of the comments from the surveys.

Superintendent's Report

Cooperative Report

LRCS Transportation Supervisor Lynn Sackmann reported that they recently passed their surprise State Patrol inspection. The newest bus, which will be used primarily for athletics and field trips, went on its first field trip to Coeur D'Alene for the middle school Eagle Watch tour. Mr. Sackmann also spoke about what would change if the district went to a 4-day schedule, noting that it would primarily be a shift in time, it would not change the pick-up times too much the biggest change would be the later drop off times.

Superintendent Vanderholm shared some grant news, that local STCU branch manager, Jacqui Snider chose Lind-Ritzville Schools as the recipient of a \$1000 donation from STCU's employee volunteer recognition program. The high school received a \$25,000 Dual Credit grant that will be used for College in the high school. CTE Perkins Reserve \$5067 awarded to Lind High School and \$4122 to Ritzville High School. The district has been urged to apply for a State Emergency Management grant for the Lind zero-scape project. The state will provide a consultant group to help with the application process, at no cost to the district.

Mr. Vanderholm shared that he was invited to take part in the Strategic Design process that will help determine the future priorities, goals, and direction of NEWESD 101. The ESD is looking for input from school district leaders in our region and are planning to meet on Tuesday, January 7.

Other topics Mr. Vanderholm shared information about included Candy Cane Lane, winter music concerts and the 4-day conference waivers were approved for the 2025-26 school year. He gave an update on the ADA project at Lind Elementary, noting the doors will be worked on over winter break.

Public Comment

After Ritzville Chair Repp read the rules and regulations for public comment, Christina Heater, Lind Education Association President, read a letter from the LEA members that was in support of the 4 day school week proposal. The letter stated, "Our job as educators is to prepare students for the future, not our past. This requires creative approaches and new ideas. We cannot continue to do things the same way and expect different results. We must address student empathy, poor attendance, and increased mental health challenges as well as staff retention and competitive job opportunities."

Colton Hodgson, Ritzville Education Association Vice-President, read a letter from the REA members in support of the proposed 4 day school week. The letter stated. "The Ritzville Education Association (REA) is writing in support of the 4 Day Week. Several REA members have dedicated their time to work on the 4 day week committee and a majority of staff members surveyed are in favor of this new schedule."

Policy Review & Emerging Issues

In adherence to the annual reorganization of the Ritzville School Board of Directors, Director Carruth nominated Director Repp to serve as Board Chairperson for 2025. Director Phillips seconded the nomination. A voice vote was heard to elect Director Erin Repp as Chairperson for 2025, with all present members voting aye. The motion carried. Director Carruth nominated Director Kubik to serve as Vice-Chairperson for 2025. Director Phillips seconded the nomination. A voice vote was heard to elect Director Kubik as Vice-Chairperson for 2025, with all present members voting aye. The motion carried. Director Carruth made a motion for all remaining board positions for the 2025 year to remain the same as they were in 2024. Those being: Director Repp as the WIAA representative, Directors Phillips and Carruth REA Negotiations Committee with Director Kubik being an alternate, Directors Repp and Kubik PSE Negotiations Committee, with Director Carruth being an alternate. Director Phillips seconded the motion with all present members voting aye. The motion carried.

In adherence to the annual reorganization of the Lind School Board of Directors, Director Starring made a motion for all board positions for the year 2025 to remain the same as they were in 2024. Those being: Director Labes as Board Chairperson, Director Schmunk as Vice-Chairperson, Director Williamson as WIAA representative, Director Schmunk and Director Labes as LEA Negotiations Committee with Director Starring as an alternate, Director Williamson and Director Weidemann as PSE Negotiations Committee with Director Starring as an alternate. Director Williamson seconded the motion with all present members voting aye. The motion carried.

Ritzville Director Carruth moved to approve Resolution 2024-25-02 Requesting a Waiver for the Implementation of a Four-Day School Week. Ritzville Director Phillips seconded the motion. A voice vote was heard with two ayes and two nays, motion failed.

Lind Director Weidemann moved to approve Resolution 24-25-02 Requesting a Waiver for the Implementation of a Four-Day School Week. Lind Director Williamson seconded the motion. A voice vote was heard with two ayes and three nays, motion failed.

There was a discussion about the proposed 4-day school week. The Board asked Superintendent Vanderholm for additional information on transportation challenges, childcare, budget concerns and meals for students. They would like to revisit the proposed 4-day school week during the January meeting which the boards moved to January 23rd to accommodate needed time to complete the 4-day waiver should the boards approve the proposal at that time.

Financial Reports - No additional information to report, monthly financial reports were provided to the board.

Other Reports - There was nothing to report.

Board Member Reports - There was nothing to report.

A ten minute recess was taken. At 8:33 PM, an Executive Session (per - RCW 42.30.110) was called, for approximately 20 minutes with no action to follow.

The Lind and Ritzville School Board meeting was adjourned at 8:58 PM.

To: Don Vanderholm <dvanderholm@lrschools.org>, Kevin Terris <kterris@lrschools.org>, Don Walker <dwalker@lrschools.org>, Kris Robbins <krobbins@lrschools.org>, Jamie Nichols <jnichols@lrschools.org>, Tina Schuler <tschuler@lrschools.org>, Brook Ferderer <bferderer@harringtonsd.org>, Shannon Billigmeier <sbilligmeier@sprague.wednet.edu>, Will Christianson <wchristianson@tucna.wednet.edu>

Hello-

I have met with Gordon Towne about the HS softball head coach position. I would like to recommend hiring Gordon as the HS softball head coach.

He has been the HS assistant coach for the past 2 seasons and spent many years before that around club softball with his daughters. He has 2 daughters in the 11th and 8th grade that both play softball.

His assistant coach position will now become open and will work on filling that spot.

Athletic coordinators please share with your administrators.

Thanks,

Dustan

Lind Elementary January 2025

The end of semester 1 means looking at data and reflecting on how well we are using our resources and what progress we are making towards our school wide plan. This will allow us to make adjustments as we head into state testing.

This year our school improvement plans focus is:

1. Increase in math fluency(math facts)
2. Increase in reading fluency (reading a grade level passage)
3. Increase in growth mindset and perseverance (student ownership on learning and reflecting) Social Emotional Goal

District data:

Over half the students in the school are testing on or above grade level on the NWEA Maps test in reading and math. Teachers are digging into their data deeper and identifying concepts to provide interventions on prior to state testing in April.

Monthly fluency assessments in reading:

In December we recognized 60% of our students K-5 for showing growth in their reading fluency. We are currently assessing for January.

Monthly fluency assessments in math:

In January 80% of students showed progress in math facts.

Social Emotional data:

Between fall and winter, based on a student survey, we are showing that more students are identifying with the following statements:

1. I believe I can get better at things by working hard.
2. I like setting goals for my learning.
3. I listen to my teachers' tips to help me get better.

Professional Development:

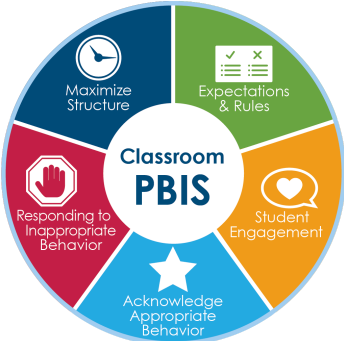

As a building we have spent the majority of our time unpacking and digging through our new reading curriculum. The teachers are appreciative of this time.

January has been an exciting and productive month at Ritzville Grade School! We returned from the break energized and ready to dive back into learning, starting strong by reteaching and reinforcing school expectations for the hallways, recess, and cafeteria. Both students and staff worked diligently to complete our mid-year NWEA and DRA testing, with many students demonstrating significant progress. A highlight of this growth is our school-wide improvement: the percentage of students below grade level decreased from 38% to 33%, moving 5% of students out of the intensive range. In addition to that over half of our schools students' are testing at or above grade level on the NWEA Maps test in reading and math. This impressive achievement is a direct result of the intensive and creative interventions implemented by our dedicated teachers in the classroom and through our Title/LAP programs. It has been inspiring to witness our Bronco P.R.I.D.E. in full force, with students consistently showing positivity, respect, and engagement. We are back in full swing and excited to carry this momentum through the rest of the school year!

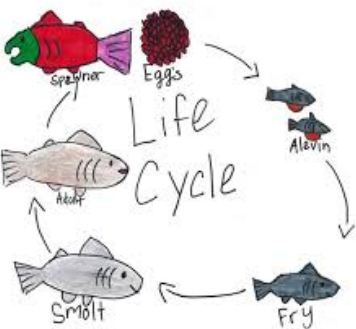

This month, I'm thrilled to share that all RGS staff will receive CPI (Crisis Prevention Institute) training. CPI equips staff with effective strategies to de-escalate challenging behaviors, promote safety, and create a supportive environment for all students. Having every staff member trained ensures a unified approach to managing crises and fostering a positive school climate, which is an incredible step forward for our team and students!

I'm excited to announce the formation of our new PBIS (Positive Behavioral Interventions and Supports) Committee at Ritzville Grade School! As part of our commitment to strengthening our PBIS framework, I'm sending a team of five staff members to a PBIS training at ESD 101. This training will provide valuable insights and tools to enhance our current efforts and guide us toward full PBIS implementation next school year. The committee's goal is to build on our foundational work, develop school-wide systems, and create even more positive experiences for our students. With this dedicated team, we're ready to take our Bronco P.R.I.D.E. to the next level!

One of the most rewarding parts of being an elementary school principal is visiting classrooms and witnessing the incredible work our teachers do every day. This month, I'm excited to highlight 5th-grade teacher Janna Gingrich for creating an unforgettable, hands-on learning experience for her students. Partnering with local Fish and Wildlife experts, Janna has transformed her classroom into a mini aquatic habitat with a trout-hatching tank. Her students are not only learning about the life cycles of salmon and trout but also observing the process firsthand as they watch the eggs hatch and the trout grow. To make this project even more impactful, once the trout are mature, Janna's class will take a field trip to release them into a nearby river, contributing to local conservation efforts and future fish populations. This innovative project combines science, environmental stewardship, and real-world learning, leaving her students with a lasting appreciation for nature and their role in preserving it. Thank you, Janna, for going above and beyond to inspire your students!

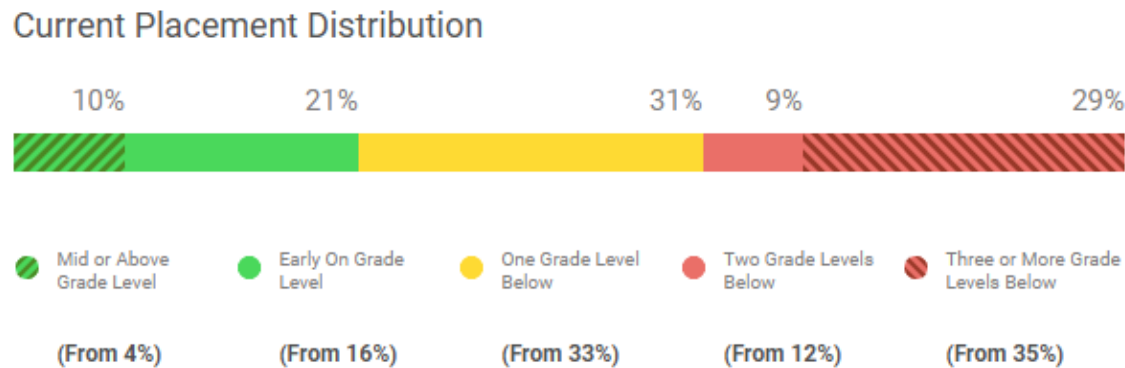

January 2025 LRMS Board Report

Topic: Student Growth Towards SIP Goal on Student Proficiency in Math and Reading

One of our key school improvement plan objectives focuses on students achieving proficient levels in testing. While our reading and mathematics scores reveal significant gaps in learning, we have observed notable growth in student achievement in the recent winter testing, which concluded this week.

In mathematics...

As shown in the data below, the percentage of students at or above grade level (represented in green) has been increasing. Concurrently, the percentage of students below grade level is decreasing.

The Mapping Between 5-Level and 3-Level Placements

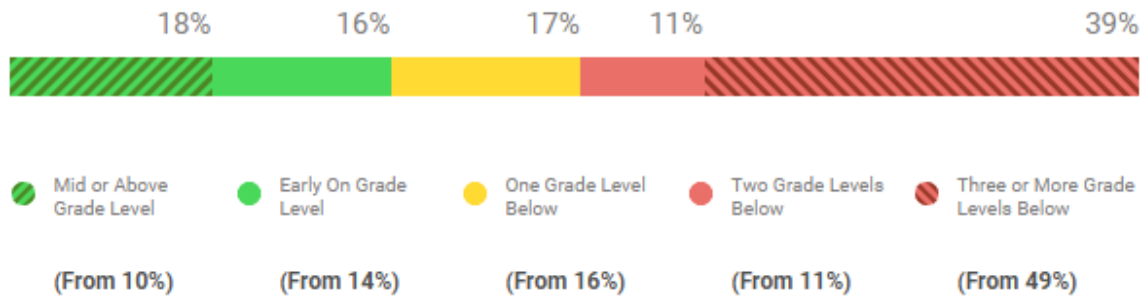

To encourage and celebrate this progress, Mrs. Davey and Mrs. Heater have created a math achievement board. This visual display creatively highlights the students' growth, inspiring them to strive for higher achievements and climb to new academic heights.

In reading...

A similar trend is evident in reading, based on the diagram below. The number of students significantly behind (indicated in red) is decreasing, while those at or above grade level (shown in green) are on the rise. These improvements are bringing us closer to closing the achievement gap

Current Placement Distribution

The Mapping Between 5-Level and 3-Level Placements

To further acknowledge these gains, Mrs. Court and Mrs. Davey have established a reading recognition board. This initiative regularly celebrates students' growth and accomplishments, reinforcing positive academic behavior.

While we are aiming for more students to achieve or surpass grade-level standards, the upward trends in both subjects this year are promising. I am confident that these advancements will help us meet our school improvement goals of 38% proficiency in mathematics and 45% proficiency in reading.

Mid Year Data Student Academic Data Report

Semester I Grade Totals

Letter / Total / Percentage / By Building

	T	L	R
As = 485	46%	40%	48%
Bs = 296	28%	29%	28%
Cs = 208	20%	23%	18%
Fs = 60	6%	7%	5%

This data suggests decent semester one results with nearly 74% of the grades earned by our students falling in the A and B grading categories. It is not untypical to see the total number of Fs at 15%. Our credit recovery planning system allows teachers to provide second semester credit recovery to students who need a little extra time to show the evidence to pass the class or the student is enrolled in a 7th period credit recovery alternative online class.

We attribute the drop in Fs at semester to consistent grading systems and a focus on students understanding our "at bats" retake and redo policy that is clearly communicated in each class. We have shifted to tighter retake procedures that are fair, equitable, and communicated consistently. Our students are learning to respond to a lack of proficiency now, rather than later.

Lind-Ritzville Academy

As = 10	13%
Bs = 16	22%
Cs = 25	32%
Fs = 26	33%

This data is based on a small group of high school students. In total, there are 77 total grades posted, so that is about 11 students. Students typically do very well across the board or very poorly across the board in this program.

Below is an explanation of two systems we have in place that I believe have greatly impacted student performance our our outcomes.

At-Bats (AKA additional chances)

At-bats are opportunities wherein students can have additional chances at meeting standard on an 80% standard bearing assessment/assignment through revisions, retakes, corrections, etc. However, second chances are privileges one must earn. Therefore, in order for a student to earn an at-bat, they must meet the following requirements:

- Turn in standard bearing work on time or no later the teacher's final due date
- Complete most in-class practice work to teacher satisfaction
- Complete the at-bat within teacher's assigned timeframe

- If the student has completed an at-bat but their score is less than a 3, the student can appeal to take another at-bat by filling out the “At-Bat Opportunity Appeal Form” and completing at least one of the following actions:
 - Complete missing practice work to demonstrate readiness for assessment of skills/concepts
 - Make arrangements with the teacher for additional help
 - The additional at-bat must be completed within the teacher’s assigned timeframe.

*All teachers will note their individual timeframes for at-bats within their course syllabus.

Intervention Status Reporting for Staff. These are the choices a teacher reports to the principal upon posting a F on a report card.

Choices		Student Impact	
1: Credit recovery through extended time and Google Classroom--Coordinate with Kayla/Kevin + Deadline. The student needs to provide a little more evidence of learning.			
	No Schedule Change		
2:Credit recovery through Google Classroom or BYU CR course or reteach, during Credit Recovery Course class S2. Less than half of the evidence of learning or learning standards has not been attempted			
	Requires Schedule Change		
3: Retake the course on their own via Summer School or next school year. More than half of the evidence of learning or learning standards has not been attempted			
	Impacts Next Year Schedule		

LIND SCHOOL DISTRICT NO. 158
RESOLUTION NO. 24-25 02

AND

RITZVILLE SCHOOL DISTRICT NO. 160/67
RESOLUTION NO. 2024-25 02

REQUESTING A WAIVER FOR THE IMPLEMENTATION OF A FOUR-DAY SCHOOL WEEK

WHEREAS, RCW 28A.150.220(2) mandates that school districts in Washington State provide a minimum of 180 school days per year; and

WHEREAS, the Lind and Ritzville School Districts Boards of Directors seeks to enhance educational outcomes and operational efficiency by implementing a four-day school week; and

WHEREAS, the Office of Superintendent of Public Instruction (OSPI) permits school districts to apply for an Economy and Efficiency Waiver under WAC 180-18-030 to modify the standard school calendar; now

BE IT THEREFORE RESOLVED, the Board of Directors of the Lind and Ritzville School Districts request a waiver from the OSPI for the following:

- a. Basic Education Program Requirement for Waiver:
The requirement to maintain a minimum of 180 school days per year, as stipulated in RCW 28A.150.220(5).
- b. School Years for Waiver:
The waiver is requested for the 2025-2026, 2026-2027, and 2027-2028 school years.
- c. Number of Days Waived Each School Year:
The district requests a waiver of 26 or 22 school days per year, reducing the number of school days from 180 to 154 or 158, while ensuring that the total instructional hours meet or exceed state requirements.
- d. Support for Improving Student Achievement:
The implementation of a four-day school week is anticipated to improve student achievement by:
 - Providing extended instructional periods, allowing for more in-depth exploration of subjects.
 - Reducing student and teacher absenteeism, thereby increasing continuity in learning.
 - Allocating one day per week for targeted interventions, professional development, and collaborative planning, which supports differentiated instruction and addresses individual student needs.
 - Enhancing student and teacher well-being by offering a balanced schedule that reduces burnout and increases engagement.

Research indicates that such scheduling can lead to improved academic performance and attendance.

- e. Compliance with Instructional Hours Requirement:
The Lind and Ritzville School Boards of Directors attests that, under this waiver plan, the district will meet or exceed the minimum instructional hours requirement of RCW 28A.150.220(2), ensuring that students receive the mandated educational instruction over the course of the school year.

BE IT FURTHER RESOLVED that the Superintendent is authorized to submit this waiver application to the OSPI and to take all necessary steps to implement the four-day school week upon approval.

APPROVED by the Board of Directors of the Lind and Ritzville School Districts at the regular meeting thereof held this 23rd day of January, 2025.

New Bus purchases for September 2025 Delivery

1 message

Lynn Sackmann <lsackmann@lrschools.org>

Fri, Jan 3, 2025 at 10:20 AM

To: Don Vanderholm <dvanderholm@lrschools.org>, Kris Robbins <krobbins@lrschools.org>, Connie Starring <cstarring@lrschools.org>, Tina Schuler <tschuler@lrschools.org>, Jamie Nichols <jnichols@lrschools.org>

Hi All

I would like to submit these two buses for board approval for September 2025 Delivery:

First is a 28 passenger mini bus

Second is a 48 passenger conventional bus

We need mini buses because three of ours are off depreciation. The 48 passenger bus is needed for Route 1. The bus currently on the route has a lot of miles and will fall off depreciation this year.

With the amount of money we will receive in September and what we have currently in TVF we will have enough money for both.

Thank You

Lynn E Sackmann
