### Group Requests

*We understand that sometime families register for camps to keep their friendships alive throughout the summer months. We believe in cultivating friendships and encouraging healthy interactions amongst all campers. However, we will not be able to accommodate group requests. This will allow us to continue to foster our mission of providing a welcoming environment where all campers feel comfortable growing and learning in our programs. There will be times where campers will be able to interact outside of their assigned groups which will be a great time to introduce new friends and share experiences and stories of the day.*

### What's Next?

*In the weeks leading up to camp, you will receive emails from the Camps team sharing important information for the transition from school year to summer. You will receive a welcome email with your child's camp group and any available newsletters or supply lists necessary for your chosen camp and week. Our team is working diligently amongst ourselves and with our great partners to prepare all information necessary for a successful and fun summer!
