

College Planning Session 2

Staying Organized

Agenda

Recap from January meeting

Organizational Needs

Common Application

How do we help them stay organized?

The Manager

Notables from last session:

- Let them take the lead
- Empower them to assign roles
- Be the trusting parent
- Listen before you talk
- Listen for clues as to what they need
- Validate their decision making abilities

Designate Roles NOW

- Designate Roles
- Set Family Meeting Times
- (Sundays at 1pm - kitchen table)
- Hold each other accountable

Typical roles of a parent in college planning?

- Design a spreadsheet to track college applications.
- Familiarize yourself with SCOIR, the Common Application, and SAT/ACT registration.
- Assess whether test preparation is needed and offer assistance if necessary.
- Collaborate on creating a college list and attending college fairs.
- Arrange college visits
- Help the student connect with contacts during the visits, such as neighbors, cousins, or school friends.
- Be transparent about financial matters.
- Remind students of important dates and deadlines by maintaining a calendar.

What is the Common Application?

The Common Application is a single online form that allows students to apply to multiple colleges and universities with the same basic information, such as personal details, academic record, and extracurricular activities, instead of filling out separate applications for each school individually; it is used by hundreds of colleges across the United States, making the application process more streamlined for students

We link our SCOIR account to the Common Application!

CEEB CODE: 342694

A CEEB code is a unique identification number assigned to a school, college, or university by the College Board.

1. It helps ensure transcripts are delivered correctly
2. Helps schools submit forms and documents
3. Used for registering for the SAT
4. Used to send SAT scores to colleges and universities
