Monthly Financial Summary
Notes on Variances and Other Comments
September 30, 2023

Notes

- 1 Typically the Rainy Day and various construction funds do not have a monthly projection. Expenditures are processed as items are received and/or the projects reach completion.
- 2 In a typical month, we expend more than we receipt given the nature of our funding cycle. The exceptions to this generality are the months when we receive our full property tax distributions - June and December.
