Monthly Financial Summary
Notes on Variances and Other Comments
September 30, 2022

Notes

- 1 During September, ZCS received the insurance settlement for the water damage claim at Zionsville West Middle School. This is not a "projected" type of revenue as it stems from the occurrence of unpredicted events.
- 2 The 2022 A and B GO Bond sale proceeds were received during the month of September.
- 3 Typically the active construction funds do not have a monthly projection as they follow the construction schedule and payments are processed as projects reach completion.
- 4 In a typical month, we expend more than we receipt given the nature of our funding cycle. The exceptions to this generality are the months when we receive our full property tax distributions - June and December.
