Health Office Update February 2025

Students~ please keep extra clothes with you; locker, car, back pack. Our office is not large enough to have extra clothing, please plan accordingly for those times

Parents~ We will contact you if your student is sick and needs to go home. You are able to call attendance at 993-7546 to pick them up.

Reminder~~All medications must go through the health office, per policy students are not allowed to carry any medications without doctors approval.

EVERY. DAY. COUNTS!!!

Your Attendance Matters!

District Attendance Specialist

Hello! My name is Memo Rodriguez and I am the Shawnee Mission School District Attendance Specialist for the South high school feeder area. I am here mainly to provide follow-up monitoring of students identified as needing support for chronic absenteeism, but other functions I perform are:

- I serve as a liaison between students, families, and school teams to facilitate positive student attendance.
- I cooperate with representatives from social services and law enforcement agencies in cases of mutual interests.
- I manage all associated paperwork, arrange for educational facilitators, connect families with needed community resources.
- I communicate and work effectively and cooperatively with members of the school district and community to promote student attendance.
- I work effectively with chronically absent as well as truant students and their families.
- I connect families struggling with attendance with appropriate school and community resources.

My hours at South high school are Monday through Friday 7 A.M. to 12 P.M.

Indian Woods middle school hours are Monday through Friday 12:30 P.M. to 3:30 P.M.

If you have any questions regarding phone calls or emails received by me, please feel free to reach out.

Thank you,

Memo Rodriguez

Personal Technology Procedures

At the January 13, 2025, Board of Education meeting, the Board approved policy JCDC: Restrictions on Possession and Use of Personal Electronic Devices. [Click here to read the SMSD policy.](#) Full implementation of this policy will begin on February 3, 2025.

This policy was developed in response to feedback and concerns raised by students, parents, and staff about how these devices can disrupt learning and negatively impact the mental and emotional health of students. Our mission, as defined in our [SMSD Strategic Plan](#), continues to be that we help each student achieve their full potential.

This fall, a Strategic Plan Action Team worked to create a policy recommendation on age-appropriate use of personal electronic devices in our schools. Their thoughtful recommendations included input from 25 Action Team members representing teachers, administrators, students, parents, and community members. Their work also included feedback gathered through a district-wide Thought Exchange, ensuring many voices and opinions were included. This process has also been informed with the advice of SMSD principals, educators of all age levels, and students and staff in the Superintendent's advisory committees. You can see more detail about this process outlined in this presentation, [linked here](#), delivered to the Board of Education at the Jan. 13, 2025 meeting.

The Shawnee Mission School District is committed to providing highly effective and consistent learning spaces across the district.

Personal Electronic Device Policy

- Personal electronic devices to include the use of cell phones and headphones (other than smartwatches) should be silenced and stored during class. Teachers may provide a secure storage option in the classroom.
- Devices can be used between classes and at lunch but must remain silenced and put away during class time unless used for learning with teacher approval.

Note: In rare cases, administration may approve exceptions.

While our schools will guide students on using personal electronic devices appropriately, we know this change will succeed with the support of our families. Thank you for your partnership in helping us maintain a positive school environment.

Reflect for Success

Tips for Students & Families

At the end of class, reflect on your learning. Not only will this help students process what you learned that day, but also help boost your memory for future tests, quizzes, and projects. This could be an activity you do as a family!

Use one or more of these sentence stems to reflect at the end of each hour or end of the school day:

- Now I understand that _____.
- I found a solution by _____.
- Today I learned _____. The way I learned it was _____.
- I used to think that _____. Now I think _____ because _____.
- I learned _____, but I am still confused or have questions about _____.

Library Corner

read & research
