

WELCOME BACK TO SCHOOL

A Message from this week's Editor: Mrs Bharj

Welcome back after the half-term, I hope you all had an restful break. All children have been thinking about what it means to be healthy, physically and mentally, which ties into their PSHRE unit this half term. Thank you to the parents to attended the Reading workshop this week, who found it very helpful. Please keep an eye on diary dates for further workshops. Also don't forget to sign up for a parents evening appointment, taking place next week.

Worship Section

This week we have started to look at Lent. We focused on how we should treat and show love to others. We also discussed how to show their love to God.

STARS

Nursery - Alexander S
Reception - Asees
Year 1 - Jude
Year 2 - Denis
Year 3 - Aaryan
Year 4 - Jagyodvir
Year 5 - Angel
Year 6 - Whole class

Attendance of the week

1st - Year 6 - 100%
2nd - Reception - 99.58%
3rd - Year 1 - 99.10%

WHAT WE'VE

Alongside our reading book 'How to make a sweetcorn salad?' Children created their own healthy salad. They used sequencing skills and Oracy skills, to discuss what ingredients they needed and any food they do not like and why.

Reception and Nursery Outdoor Learning

All children in Reception and Nursery learn outside everyday, **even if it is raining!**

Please can you send your child in **waterproof jackets & wellies and spare clothes**

We highly recommend you send in a puddle suit to be able to keep your child dry and warm whilst having fun learning outside.

Puddle suit

Colnbrook Outdoor Jacket

Wellies

Year 1 have been extending their place value knowledge by looking at numbers to 50 and partitioning using 10's and 1's counters.

BEEN UP TO

This week Year 2 have started their artwork on using flowers as their inspiration. The children enjoyed using fresh flowers brought in from home or printed pictures of flowers to create their own floral masterpieces.

Year 4 enjoyed a sunny walk to the Quiet Garden of St Thomas' Church where they made observations on the environment in which animals might live. This connected with their study of the Wild Robot in English, as well as landscapes in Art. Year 4 enjoyed taking lots of tree and sundial rubbings as part of our activity.

PUPIL VOICE

"On Tuesday, we got to create our own sweet business shop. We did this by designing our own slogan, logo and choosing what sweets that we wanted to sell. We had to work out costs then present it to the class."

Oliwia - Year 5

"In Phonics I made a salad with lettuce, tomatoes, pasta, cucumber, cheese and green beans, it was tasty!"

Sehaj - Year 4

"In Maths we used tens and ones to make big numbers."

Faith - Year 1

"Fun fact; we are learning about Sir Ernest Shackleton. Did you know he went on two other expeditions before he went on the Endurance."

Leonard - Year 6

IN OTHER NEWS

Nursery applications

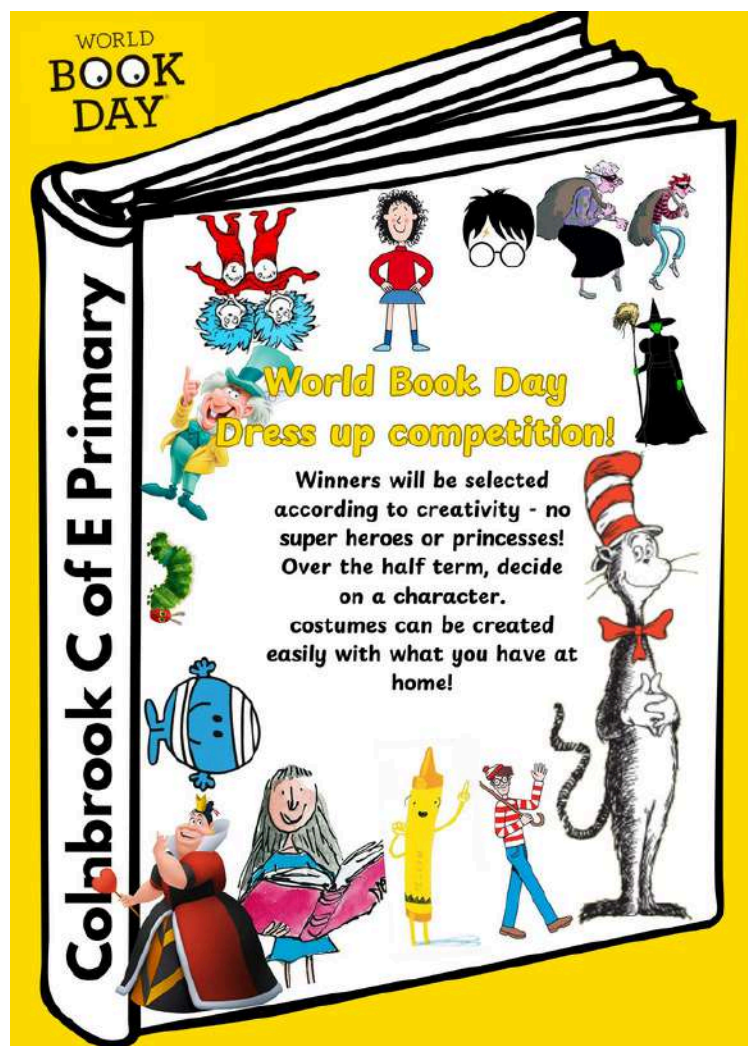

If your child turns 3 years old before 31st August 2025,

apply now for a nursery place through the school office to secure their spot and avoid disappointment. Places are filling up quickly!

World Book Day

This is a reminder that we are celebrating World Book Day next week on Thursday 6th March. Children are encouraged to come dressed as their favourite book character.

Remember costumes do not need to be bought they can be easily made at home. Prizes will be awarded throughout the day. Prizes for Story Jars / Boxes will be awarded on Friday 7th March by Mrs Bharj.
