Items to Share:

- March 27th 2025 will be career day. Ravenell is working on getting career day set up. She is looking to possibly have a presentation on this day. Presentations may have to be inside classrooms due to gym renovation.
- We are also working on kindness week. We have received our “buddy bench” from Mr. Stelle and it will be introduced during kindness week.
- March 6th 2025 we will be hosting literacy/Pajama night here at HHE. Literacy night will include read alouds as well as test taking strategies. Dinner will also be provided.
- State improvement council has sent out a survey for chronic absenteeism.
- Food Drive – Flyer has been made with information on food drive. Looking to turn it into a competition between 4th and 5th grade. Grade that donates the most will receive a treat.
- We are still looking to see who we can donate the food items too. We would love to see about donating to Shaw Air Force Base. Possibly to split and donate half to Shaw and half to United Ministries.
- Update on “Book Library” – Mrs. Timmons to see if husband can build one. Still working on a location for book library.
- April 5th – A SIC conference will be held. Dr. Scott has registered to attend.
- Goal – School Renewal Plan states that we must implement programs with the intentions of promoting and increasing a positive school / home relationship. Based on our current programs as well as projects that are in the works, we voted unanimously that we are all moving forward with the same goal in mind.

Questions/Concerns:

Due to the McKinney-Vento grant, we may need to dedicate a section of our crisis closet for those students in need. Also looking to see if we can take leftovers from lost and found at the end of the year, and donate to the crisis closet.

Next Meeting Scheduled For: March 5th, 2025 at 9:00 am.
