2025-26 Academic Calendar Adopted

The WSISD Board of Trustees adopted the 2025-26 Academic Calendar on Feb. 24. Thank you to all of our families who provided input. The following recommendations were expressed frequently:

- Consider later start date, possibly after Labor Day If the first day was later, the last day of school would be scheduled after Memorial Day and potentially extending into early June.
- Consider Four-Day Week Each spring, district officials consider the implementation of a four-day week; however, administration does not recommend implementing this change at this time due to potential hardship it could create for working families and students who rely on free and/or reduced meals at school.
- Adjust Staff Start Date from Friday, Aug. 1 to Monday, Aug. 4

 If staff began Aug. 4, it would result in staff receiving one less holiday or professional work day. If staff members attend the summer trade days in June, they would not return until Aug. 4.

Mention the WSISD Education Foundation or show this flyer for Dine In or To Go Orders & the Foundation will receive a portion of the proceeds.

MONDAY, MARCH 17 11 A.M. - 11 P.M.

2 300 Clifford Center Drive • Fort Worth
