

# The Amherst Schools

## AMHERST JUNIOR HIGH SCHOOL

**PLEASE NOTE** our deadlines as set forth by the tour company. We **MUST have roommate information by May 2, 2025 with the permission slip and a deposit of \$250.00. If roommate information is not received by May 2, ROOMMATES WILL BE ASSIGNED.** Once roommate information has been submitted to the tour company **NO CHANGES WILL BE MADE.**

Below is the roommate request form. **Please fill out your child's choice for roommates and return the bottom portion with the permission slip and deposit. We must have four students in a room.** (Any requests of less/or more than four students may result in roommates being separated and delay room assignments). If your child does not select roommates they will be assigned to a room. *Roommate selections are not guaranteed and are subject to change at the discretion of the Amherst Junior High Staff.*

It is important that the roommates your child selects also include his/her name on their roommate request forms. *Each group of four must have the same names on each roommate request form and all four forms should be turned into the office at the same time. All forms must be signed by parents and students.* Please contact Mrs. Aufdenkampe, AJH Office, at 440-988-1901 or 440-988-0324 with any questions or concerns.

All medications that your student takes on the trip should be in the original labeled container, dosage indicated and placed in a re-sealable plastic bag with the student's name printed on the bag. Medications will be collected on the morning of the trip. Teachers chaperoning the trip will be responsible for dispensing a student's medications.

**\*\*Please note that room assignments are not guaranteed and are subject to change at the discretion of the Amherst Junior High School Staff.**

*Student's Name* \_\_\_\_\_
