### **FFA Week:**

Fun fact of the day: According to AgDay there are approximately 22 million Americans working in a field related to agriculture. Meaning that just over a quarter of the working population of the U.S. is in one way or another involved with agriculture. FFA is not just for students who want to be production farmers; FFA also welcomes members who aspire to careers as teachers, doctors, scientists, business owners and more. For this reason, the name of the organization was updated from Future Farmers of America to the National FFA Organization in 1988, after a vote of national convention delegates to reflect the growing diversity and new opportunities in the industry of

agriculture. Today's FFA week theme is Camo Day and tomorrow is Wear FFA or Eastwood Clothing and Drive your Truck to School Day.

We are having an Ag Olympics Assembly today. The games are a milk chug, tug of war, egg toss, and pedal tractor race. We need one boy and one girl from each grade to do each of the events. The sign up will be in the lunch room if you are interested. It is first come, first served.

We are also holding a Pie-In-The-Eye Fundraiser. Our seven officers, Kamryn Sundermeier, Kennedy Ameling, Alivia Cox, Whitley Lubash, Riley Burtchin, Frances Lockyer and Leah Emch will be taking a Pie in the Eye for charity during the Ag Olympics Assembly. We will be selling tickets for \$1 at lunch. Each ticket purchased will then be put into the Officer Jar of your choice and one name will be pulled from each jar during the assembly. The person pulled will get to pie that officer in the eye. Your name will only be pulled once if you donate to multiple officers. All money donated will go to Children's Hospital.

The theme days will be...

Friday: Wear Eastwood or FFA Clothing/Drive Your Truck To School

Help us celebrate by dressing up on these days.
