What is ArtBeat?

Once a year, our community comes together under one roof for one spectacular celebration: ArtBeat! For 27 years, we have celebrated the God-given gifts of our students in the visual and performing arts. And with 84% of CHCA students participating in the Arts, it's not surprising that ArtBeat is one of the city's largest Arts festivals! It is a day-long, all-school event for the whole family, filled with student performances, student artwork, artist demonstrations, hands-on-art stations, and great food! Come and join us as we celebrate the 27th year of sharing what our students have learned and created with our entire CHCA community.
