March Message from District Administrator

As we move into March, we have so much to celebrate and look forward to. This month, we are excited to honor Music in Our Schools Month and the incredible musical talents of our students, with several concerts, including the Spring High School Band Concert, Spring High School Orchestra Concerto Concert, and our Jazz Concert. It's also the time of year when spring athletics kick off soon, bringing new energy and excitement to our schools. And, of course, don't forget that Spring Break is just around the corner at the end of the month!

As always, thank you for your continued support of our students, staff, and schools. Here's to a wonderful month ahead filled with music, athletics, and school spirit!

Dr. Dan Keyser

Nominations for the 2025 Business Honor Roll is now open!

The Wisconsin Association of School Boards honors businesses that bolster local schools, and the Stoughton Area School District seeks your nominations! Stoughton-based businesses, demonstrating significant, unpaid support to our schools through donations, volunteering, mentorship, or other contributions in the past year, are eligible. Nominate up to two businesses, providing three specific examples of their support, for this statewide recognition. Businesses cannot have received the award in the past three years. **Your nominations help showcase the invaluable connections that strengthen our schools and community.**

Updates throughout the Schools

STOUGHTON HIGH SCHOOL

2024 SPIRIT OF EXCELLENCE PORTFOLIO

Stoughton High School

HUGE congrats to our Student Senate for winning the Spirit of Excellence Award for the 3rd year in a row—making it 7 wins total! We're also celebrating our 2025 Badger Boys and Girls State delegates! Thanks to the generous sponsorship of our local American Legion and Legion Auxiliary!

River Bluff Middle School

River Bluff Middle School recently honored students nominated for their kindness and respect in our 2nd semester Community Change Makers program. We also celebrated our Math 24 competitors and held student-led conferences, highlighting student growth and achievements.

Fox Prairie Elementary

Fox Prairie's Math 24 competitors shined on March 3rd! Congratulations to all students who participated. Staff and students are getting ready to gear up for Spread Goodness Week's exciting dress-up days. Families - mark your calendars for the WFK Craft & Create Night on March 12th!

Kegonsa Elementary

This month, Kegonsa welcomed more than 25 community members to read in our classrooms! Among our guests were the Mayor, a librarian, school board members, and leaders from our schools, athletics, and local businesses. Their participation helped foster a love of reading and strengthened our community connections.

Sandhill Elementary

After months of hard work, Sandhill students have collected over 1,000 lbs of plastic! This amazing effort will earn them a bench made from recycled materials. An extra shoutout to Ms. Dreyer and the 5th grade class for leading the charge!

4 Year Old Kindergarten

4K students will participate in "Spread Goodness" celebration in their classrooms by focusing on goodness toward one another. Students will learn about seasons and shadows as a part of the curriculum. We are almost ready to celebrate our 100th day in 4K. Look for your child's teacher to send information regarding this fun filled day.
