

WALL TOWNSHIP PUBLIC SCHOOLS

Office of the Director of Athletics

Wall Sports Registration Process

Part A: Online Registration

Required for **ALL** students every sports season.

Athletic Registration must be completed for each student-athlete for each sports season (Fall/Winter/Spring). This registration can only be completed once per student-athlete per season and students may only register for ONE sport per season.

1. Parents/Guardians: Sign into your [Genesis Parent Portal](#) account.
2. Select: **“Forms”**
3. Select the current open season Sports Registration Form **“Fall/Winter/or Spring Sports Registration”** for WHS and WIS students or **“Fall/Winter/or Spring Sports Registration (Out of District Students)”** for MCVSD students.
4. Complete and submit this form in Genesis.

Part B: Medical Forms (physical)

Only required for students who do not have a valid sports physical.

Your child's sports physical must be valid on the start date to begin practices/tryouts. Per NJ state law, all **sports physicals** must be reviewed and approved by the **school physician** prior to the first day of tryouts or practice. Please allow adequate time (at least two weeks) for this process, and keep in mind that additional clearance may be requested by the school physician on a case-by-case basis. Sports physicals are valid if they were conducted within 365 days of the first official practice/tryout.

If your child does not have a valid sports physical:

Download and complete the Sports Physical Forms Packet. Forms 1, 2, and 3 remain with your home physician. Form #4, “Preparticipation Physical Evaluation Medical Eligibility Form” is submitted directly to the school nurse's office.*

***Form #4 must be handed in, in its original form. Paperwork sent by email or fax will not be accepted by the nurse's office.**
