**Vets:** Lead the way, the team members before you have laid the path of Championship Teams. Now it is your turn to lead and stay at the of the award stand at the State True Team meet. Our team goal to get back the State True Team Championship this year. One more team victory and Wayzata will have the tied the most True Team titles of any team in the state! Find a way to contribute to the team which you never have before. Contrary to what the Star Tribune says, Championships are not handed to you because you go to a large school. Make sure to help the rest of the team learn what to do on a day by day basis. The strength of our team if the emphasis in the team concept for T&F. If we are going to be True Team champions in May we need to be a true team in March!

**Rookies:** Welcome!. The first week of a great decision. Watch the vets for what to do. They were in your shoes at one time not long ago. Try new events each day, you are not locked in to one event. We have 18 events in track and field. Our goal this week is to find one that best fits you. This week can seem a little overwhelming. That is normal. If you are unsure about anything, stay after practice and connect with one of the event coaches or the head coach.

**Apparel:** All athletes will receive a uniform top and bottom this Friday. If you want compression shorts, you must order those separate from the team apparel order form. Our team optional apparel can be ordered through BSN. <https://bsnteamsports.com/coordinator/ZATATF25A/13008174>. and orders are accepted until Thursday at midnight. Many athletes wish to wear compression shorts instead of team issued shorts. These must be ordered separately. We normally get these get these from TC Running but they can not get stock as of now. We can get BSN compression shorts and they are \$27 (cash) and can be dropped off in Coach Berndt’s classroom (C-418) or brought to a coach before practice this week before Friday’s time trial. We will have order forms online on WayzataTrack soon. If you prefer a name brand compression, you can order any brand as long as they are royal blue and do not have large logos on them. If you have a pair from last season, you can still wear those.

**Parents:** Out season parent meeting is Thursday night on Zoom starting at 6:00. A zoom link will be sent out early this week. The meeting usually take 30-40 minutes and you can stay after and ask questions of the coaches. Feel free to come and watch Friday Time Trials. This is essentially a practice meet for just Wayzata but you are more then welcome to come and watch. There is not an entrance fee but may need to pay to park. There is plenty of seating area at the U of MN indoor fieldhouse.

**Reminders for ALL:**

- Have clothes to workout OUTSIDE – Temps are going to feel tropical being in the mid 60’s early this week. but your body can ill afford to lose precious heat when getting a workout in. Always error on the side of having too much in your locker to go outside, you can always shed layers. The first days of the week most of the team will be outside at some point.
- BE CAREFUL OUTSIDE. Cars are not used to athletes using the sidewalks. Make sure you cross the street in the sidewalks. Even if you have a green light at an intersection, make eye contact with the drivers coming your way. In a battle between car and human, the car usually wins no matter what color the crossing light is. Be care full walking to the stadium, the ~~racetrack~~ road past the stadium can be tricky sometimes.
- Make sure to check the schedule for Friday. We have a lot of moving pieces. You will need to find time to have a light dinner/snack before we leave for the University of Minnesota. Plan on having a snack/dinner before departure

**Next Week:**

- We will be traveling to Bethel University Friday afternoon. Wayzata Track and Field will be competing against Mounds View. We will be starting 1:00 pm next week due to their indoor fieldhouse availability. You will be bussed both to the meet and back to WHS. You will be back at the high school by 4:00.
