Ramadan has started! Students who would like to fast during the school day, may fast in Bridget's classroom, room 2608, during their lunch period. Students are welcome to pray in the map room, in between Brian's and Bridget's classrooms.

Significance of Ramadan:

- Muslims abstain from food and drink from dawn to sunset as one of the five pillars of their faith.
- The common greeting Muslims use to welcome the month is to say Ramadan Mubarak, or Blessed Ramadan.
- Ramadan is the ninth month of the Islamic lunar calendar. The beginning of fasting shifts every year by about 10 days and rotates around the seasons.
- Muslims fast 29 or 30 days during the Month of Ramadan each year.

People Exempt from Fasting:

- Children below the age of puberty are not required to fast. However, many children start fasting at a young age to be part of the festive family spirit.
- The sick until they recover
- Pregnant women

- Breastfeeding women
- Travelers
- Elderly seniors who are unable to withstand the demands of the month.
- Women and girls during their menstrual period

What Happens during Ramadan:

- Families/community break the fast together at sunset.
- The meal for breaking the fast at sunset is called Iftar (fast breaking).
- Breaking the fasting usually begins with dates, water, juice, sambusa, and other light food.
- Muslims also pray together an extra night prayer called Taraweeh. This prayer lasts for over an hour each night of Ramadan. This affects sleeping hours.
- Muslims eat a pre-dawn meal called Suhur about an hour before sunrise

Ramadan Fasting and Schools:

- Students may need a place to stay at lunch time during the month.
- Students may need a space to pray.
- Students can participate in regular school activities that are not physically too demanding.
- Students may need testing accommodations.

Golf Team Information: OWL has a strong history of student participation in athletics in partnership with Humboldt High School. OWL student athletes have made significant contributions to numerous athletic teams at Humboldt in the past.

My name is Ray Gonzalez, I am the Boys Golf Coach at Humboldt. I am inviting OWL students and parents to consider increasing the number of OWL students that participate on our Boys and Girls Golf Team. We have had a few OWL students participate in golf in the past but not close to the number that have participated in other Fall, Winter, or Spring sports.

I am asking all students interested in joining the Boys and Girls Golf teams at Humboldt High School to contact me for further information regarding the upcoming 2025 Spring Golf Season.

Important Reminder about Attendance:

If your child is going to miss school, please call, email owlattendance@spps.org or write a note to explain the reason for the absence. If we do not hear from you, the absence is documented as unexcused. After 3 days of unexcused absences, you will receive a letter from the school reminding you to please communicate with us so the absence(s) may be documented accurately. If your child continues to miss school, unexcused, he/she will be referred to the SAM (School Attendance Matters) Program for intervention.

The following reasons for absence qualify as an excused absence; illness, doctor, dental or therapy appointment (please be sure to obtain a note to give to the school), extreme family emergency or religious holiday not already recognized by our school district. When a student misses 3 or more class periods in one day, this is considered to be a full day of absence. Please call us if you have any questions/concerns.
