

Receive a \$50 Amazon gift card for completing your annual health assessment

The path to good health begins with an annual health assessment at your Marathon Health Center.

Whether you're just beginning your wellness journey or you are dedicated to staying on a healthy track, getting your annual health assessment is one of the best things you can do to support a healthy lifestyle. It provides a snapshot of your overall wellbeing and points you in the direction toward optimum health.

There is no cost for an annual health assessment at Marathon Health. You will receive a comprehensive physical exam and biometric screening. Once you know your numbers and your health profile is complete, your Marathon care team will work with you to develop a health plan tailored to your healthcare needs and goals.

A great way to remember your Annual Health Assessment is to schedule it during the month of your birthday. If you complete your wellness exam between January 1 and December 31, **you will receive a \$50 Amazon gift card** for taking that first step to wellness!
