

General Course Information

Course Name: 4th Grade Physical Education	
Department:PE/Health	Grade Level(s): 4th
Duration/Credits: 1 year	Prerequisites: none
BOE Approval Date:February 2023	Course Code:
Course Description:	
4th Grade Physical Education continues with skill development as well as conceptual fitness and health knowledge with daily physical activities and formative feedback. In addition to developing locomotor and non-locomotor skills, manipulative skills and rhythmic movement, PE students practice self-management strategies and lifelong healthy habits.	
Course Rationale:	
4th Grade PE supports both student physical health and cognitive development. In addition to providing needed daily active time, students develop physical literacy and health knowledge.	
Course Objectives:	
<ul style="list-style-type: none">• The student will identify connections between physical fitness skills and knowledge to overall health and wellness.• The student will combine both locomotor and manipulative skills and apply strategies into physical activities and games.• The student will develop fitness knowledge through the completion of fitness assessments and review of the results.• The student will demonstrate personal responsibility, teamwork, and a respectful and inclusive attitude in social and physical activities, including skills practice, games, and sports.• The student will actively participate in daily class fitness objectives and routines, including exercises, games, and skill development, to build the components of health and skill-related fitness.
