» Coverage and claims information

See your plan type, benefit levels, deductibles, maximums and more. Check the status of recent dental claims. Add your dependents to your account to be able to access the whole family's coverage in one spot.

» Dental Care Cost Estimator

This easy-to-use tool provides estimated cost ranges on common dental care needs for dentists in your area. You can even select your dentist for tailored cost estimates.

» Dentist search

It's easy to find a participating dentist near you! Search and compare dental offices to find one that suits your needs. Narrow the list with criteria like 'language spoken' and 'specialty.' After you choose a dentist, you can save the contact information and get directions.

» Mobile ID card

There's no longer a need to carry a paper ID card. Simply show the dentist's office your mobile ID card right on your screen. Easily save it to your device for quick access using Apple Passbook or Google Wallet.
