# Additional Announcements

## Spread the Word Campaign

Brandywine High School students participated in the Special Olympics Spread the Word - Inclusion Campaign this week. Our students and staff came together to promote unity and acceptance. Awesome job Bulldogs!

## Course Selection

Counselors will begin individual student course selection next week, where they will finalize student course requests for next year. Please discuss with your student what they plan to take and use the [BSD Course Catalog](#) for more detailed course information and offerings. Below is a link to the scheduling presentation we gave last week at our PTO meeting: [Scheduling Presentation Spring 2025](#)

## Mentoring

Earlier this month, Brandywine High School students collaborated with Lombardy Elementary School, to pair younger students with older mentors. It was a wonderful experience seeing both schools come together and work through engaging activities to reinforce learning and communication skills. Looking forward to more success in the future!
