

ZCS-GROW Playground Use Policy

It is the practice of the ZCS-GROW to have exclusive use of the playground during their Before and After Care program hours of operation (7:00-9am, 2:30-6pm). BAC is an extension of the school day. ZCS facilities, including gyms and playgrounds, are for school use first and community use second. Community members are encouraged to use the playgrounds outside of the school day which includes before and after care.

Access Days and summer Z'Camp have exclusive use of playgrounds and outdoor spaces from 7:00am – 6:00pm when these programs are in session at Pleasant View Elementary and Zionsville West Middle School.

This policy, adopted by the GROW Board of Trustees, ensures a safe environment for our students while under our supervision. Prior to this policy, GROW BAC Leads were often supervising neighborhood children without any adult supervision. Visiting adults are not known to our Grow Staff and therefore security is breached due to our ZCS Board of Trustees background check policy.
