

General Course Information

Course Name: Painting II	
Department: Visual Arts	Grade Level(s): 10-12
Duration/Credits: .5 1 Semester	Prerequisites: 2-D Art Foundations and Painting I
BOE Approval Date: 11/19/2019	Course Code H7040
Course Description:	
<p>Painting II presents new challenges to the student who has succeeded in Painting I by exploration of broader media and concepts. Further exploration of acrylic, watercolor, and mixed media painting will be included in this course. Students will have increased choice in technique, style, and media as they produce meaningful and conceptual works of art. Studying contemporary and historical painters will help students recognize the important role of artists in culture throughout time. This course has a \$5.00 lab fee. \$10 LAB FEE</p>	
Course Rationale:	
<p>Painting II extends learning opportunities to the student who has succeeded in Painting I. Choice based exploration of media and concepts will elevate the student's abilities. Painting develops visual literacy, dexterous abilities, two-dimensional problem-solving skills, and media understanding.</p>	
Course Objectives:	
<ul style="list-style-type: none">• The student will produce multiple paintings in a variety of media from observation, photographic resources, and imaginative compositions.• The student will read about the effective use of painting techniques, tools, and color theory to produce paintings such as still life, portrait or figure, landscape, or contemporary images. (A+ Reading)• The student will demonstrate knowledge through written analysis of significant paintings and painters by researching specific artists and their work. (A+ Writing, A+ Research)• The student will develop the ability to make aesthetic judgments about their own paintings and others by providing and responding to constructive feedback. (A+ Speaking and Listening)
