2025-26 District Calendar

You will see below that there are two options. The reason we have two options as of now is because we have to plan for the heavy construction (HVAC) that will begin in earnest at Memorial this spring and into the summer. The bid was awarded a few weeks ago and it is to a different company than the one used at MAS. Having experienced the work at MAS with the company currently being used, we would have a much better idea of the progress we would expect at Memorial. Seeing that the company is different, we have nothing to compare it to so we thought it would be prudent to provide two calendars just in case.

Option 1 calendar is a regular opening during the week of Labor Day as usual.

Option 2 is a delayed start by a week due to Memorial construction. It therefore has a later BTSN schedule and ends the school year later.

We will keep you updated as to which option we will use, but I caution everyone that late game decisions are absolutely on the table.

Stay tuned.

UPDATE

The District shared in a memo dated January 24th,  GoGuardian Parent Memo that an enhancement would be forthcoming in its Go Guardian/Beacon alert system regarding parental notifications for inappropriate use of the chromebooks during non school hours.. We are happy to report that we will formally roll this enhancement out to our parent community effective **Monday, March 24th**. More specific information will be forthcoming this week.

You can help your child do their best with the following information:

- Please remind your child to arrive with their Chromebook fully charged and (corded) headphones. Headphones/earbuds that connect through wifi are not permitted for state testing.
- Please make every effort to ensure that your child attends school on testing dates. Students who are absent at any time during NJSLA week will be scheduled for a NJSLA make-up session.
- Please ensure that your child arrives at school on time.
- Please do not pick up your child while testing is in session. This assists in limiting the number of students who will miss classes. Make-up tests and removals distract the testing room.
- Please remind your child that he/she is not permitted to have a cell phone or any other electronic device in the testing site. Students who use any electronic device during testing will have that section of the test voided and appropriate disciplinary action will be taken.

Grade 8 Yearbook

The 8th Grade Yearbook is well underway, but we are still in desperate need of photos. We have a decent amount of photos from the events that take place during the 8th grade year, but we have very few photos from the Class of 2025's earlier years in Maywood. If you have any photos from the following events, please email them to Mrs. McNamara at emcnamara@maywoodschools.org.

Any events from Memorial School

- 4th and 5th Grade (Buehler/Around the World/Luau/etc.)
- 6th and 7th Grade (Sports/Clubs/Fairview Lakes/Liberty Hall/etc.)
- 8th Grade Car Wash
- Any sporting events that are run through the school
- Any club events that are run through the school
- Winter/Spring Concerts
- Talent Shows

- Any of the plays put on through the school
- Any other school event that is not listed above

Yearbooks are available for 8th graders to purchase and will be distributed in June. The cost of the yearbook is \$55 and can be paid on RevTrak or through the link below. Please make sure you are putting your child's first and last name, not your name. **The payment deadline is Friday, May 16th.**

RevTrak Link: <https://maywoodschools.revtrak.net/>

Please reach out to Mrs. McNamara if you have any questions in regards to the yearbook, photo submissions, or payment.
