

THE VIRGINIA Mysteries

Title 1 is thrilled to welcome Steven K. Smith, author of The Virginia Mysteries series! Join us for a fun-filled evening as we learn about how Mr. Smith's love of reading and Virginia history resulted in one of today's most popular book series for children. Each student will have the opportunity to choose a book from the modern-day adventure series revolving around Virginia historical landmarks such as Jamestown, Monticello, and Mount Vernon. Pizza and refreshments will be provided for all attendees.
