

SUMMER Bridge

HUTTO ISD ECHS SUMMER PROGRAM

Session 1: TSI Math

Students work directly with a Temple professor on math skills needed to pass the TSIA. The focus will be on geometry and algebraic knowledge and application.

Session 2: TSI ELA

Students will work with Hutto ISD Staff on skills to pass their TSIA. The focus will be on grammar, reading comprehension, and essay writing.

Session 3: Success Skills and Future Planning

Students will work with Temple and Hutto Staff on college preparatory skills, organization, stress management, study skills, resume building, professionalism, and more.

Session 1: Class of 2029

May 27-30, 8:15am - 3:00pm

Session 2: Class of 2028

July 29-31, 8:15am - 3:00pm

HHS: 101 FM 685, Hutto Tx 78634

Virginia Ream: Advanced Academic Specialist
