Dear Colleague:

March, 2025

As you know our **2025 United Way Campaign** begins on **March 24**. Please join together with us to accomplish what no one single person can. It takes all of us working together to build the kind of community we all hope for, and it takes your gift to the United Way to help make that happen. We believe our contribution is a great investment with a guaranteed return for our community. The Pittsford Central School District has historically been a community leader in per capita and total contributions.

During the campaign, a staff member in your building will encourage you to contribute and will be able to answer your questions. Cindy Coleman is our District Campaign Coordinator and will also be available to help in any way.

United Way is the easiest and most efficient way to contribute to a multitude of community programs and organizations. The United Way Community Impact Fund supports nearly 80% of local programs that help make childhood more enriching, students more successful, old age more of a golden age, disabilities less debilitating and crises less frightening. Every dollar contributed to the United Way Community Impact Fund goes to help people in the Rochester area.

There are many agencies to donate to, some near and dear to you. We would like to highlight our Pittsford School Foundation, **Pittsford Education Foundation (P.E.F.)** for you to consider donating to this year. The P.E.F. donor number is 2600. 100% of this donation will go to our PCSD students that are in need of financial help. Annually, PEF spends thousands of dollars to support PCSD students through the funding of AP exams, college applications, yearbooks, groceries, gas cards, eyeglasses, prom tickets, clothing, spirit wear, food, school supplies, and many other needs.

Thank you for your support and generosity!

Sincerely,

Michael Pero  
Superintendent

Dwayne Cerbone  
President, PDTA
