

# THE HARBOR NEWS

March 2025 Edition

## PRINCIPAL'S MESSAGE

For the month of March, our Seaford Scholars trait is focused on being risk-takers! When children step outside their comfort zones, try new things, and embrace challenges, they build confidence and resilience. Encouraging them to take on new experiences, learn from mistakes, and approach challenges with courage will help them grow as learners and leaders. Thank you for joining us in empowering our brave and inquisitive learners! Go Vikings!

## 100 Days BRIGHTER!

Our Kindergarteners had a blast celebrating the 100th Day of School on February 14! The day was filled with fun, hands-on activities that encouraged counting, creativity, and collaboration. Students dressed up as 100-year-olds, created collections of 100 items, and participated in exciting math and literacy challenges. This special milestone was a great way to reflect on how much they have learned and grown this year. Here's to the next 100 days of learning and fun!

## HARBOR SCHOOL Teacher OF THE Year

We are excited to recognize Mr. Roman Wojcik as our Teacher of the Year! As a fourth-grade teacher, his dedication, passion, and ability to inspire students make him an outstanding educator. Congratulations, Mr. Wojcik—this honor is well deserved! We look forward to celebrating him at the Seaford American Legion Ceremony on March 19th.
