We believe:

Music is an inextricable part of the human experience, and every individual is inherently musical

Every student should be assured a high-quality course of music instruction, taught by qualified music educators.

Music is a pillar of cultural heritage and a means for interdisciplinary learning.

Music is an essential, core subject, and providing a musical education is a necessary part of educating the whole child. Therefore, every student should be offered opportunities to perform, create, respond, and connect musically.

Learning music gives students a mode of artistic expression, a sense of music appreciation, and the tools needed for becoming lifelong musical learners.

All individuals should have the high-quality resources and facilities necessary to achieve success within a challenging curriculum.

INTRODUCTION & PHILOSOPHY

Percussion Ensemble is an elective course offered by the Trumbull Public Schools Music Department. This is a half year or full year course that requires previous percussion experience or teacher recommendation to join. Percussion Ensemble meets three days of the rotation. Students actively create, perform, and respond to music. Band students are expected to practice regularly, attend rehearsals, and participate in a number of performances. These performances may include concerts, music festivals/adjudication and other community performances.

The Percussion Ensemble is a performing ensemble that is an important part of the school culture and community. Students working cooperatively to perform on percussion instruments can play a wide range of music in concerts, music festivals and other school and community events. Mastering an instrument cultivates determination, focus, self-discipline, coordination, critical thinking, pursuit of excellence, personal growth, teamwork, creativity, and expression. The percussion program gives students an opportunity to perform quality music, improve their playing technique and music content skills, learn to read music notation, enhance their musical

awareness and understanding, make connections to pieces of aesthetic value through performance, appreciate a variety of musical cultures, and promote both independent musicianship and lifelong involvement with music.
